Select Bibliography Of Tim Buck:

A select bibliography of Tim Buck, general secretary of the Communist Party of Canada ,1974 A Select Bibliography of Tim Buck, General Secretary of the Communist Party of Canada, 1929-1962 Peter Weinrich,1974 *The Cambridge Companion to Thomas Mann* Ritchie Robertson,2001-11-29 Key dimensions of Thomas Mann s writing and life are explored in this collection of specially commissioned essays In addition to introductory chapters on all the main works of fiction the essays and diaries there are four chapters examining Mann s oeuvre in relation to major themes These thematic explorations include his position as a realistic writer concerned with the history of his own times and as a commentator on German and American politics his controversial reputation as an intellectual novelist the literary techniques that enabled his challenging fictions to appeal to a wide audience and the homosexual subtext running through his fiction and diaries A final chapter looks at the pitfalls of translating Mann into English The essays are well supported by supplementary material including a chronology of the period and detailed guides to further reading Altogether the volume provides an invaluable resource for scholars and students Bibliographic Index ,1983 Papers of the Bibliographical Society of Canada Bibliographical Society of Canada,1974 Library of Congress Catalog Library of Congress,1974-07 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955 *A London Bibliography of the Social Sciences* British Library of Political and Economic Science,1931 Vols 1 4 include material to June 1 1929 **Library of Congress Catalogs** Library of Congress,1976 *Sweatshop Strife* Ruth A. Frager,1992-01-01 In the first half of the twentieth century many of Toronto s immigrant Jews eked out a living in the needle trade sweatshops of Spadina Avenue In response to their exploitation on the shop floor immigrant Jewish garment workers built one of the most advanced sections of the Canadian and American labour movements Much more than a collective bargaining agency Toronto s Jewish labour movement had a distinctly socialist orientation and grew out of a vibrant Jewish working class culture Ruth Frager examines the development of this unique movement its sources of strength and its limitations focusing particularly on the complex interplay of class ethnic and gender interests and identities in the history of the movement She examines the relationships between Jewish workers and Jewish manufacturers as well as relations between Jewish and non Jewish workers and male and female workers in the city s clothing industry In its prime Toronto s Jewish labour movement struggled not only to improve hard sweatshop conditions but also to bring about a fundamental socialist transformation It was an uphill battle Drastic economic downturns hard employer offensives and state repressions all worked against unionists workplace demands Ethnic gender and ideological divisions weakened the movement and were manipulated by employers and their allies Drawing on her knowledge of Yiddish Frager has been able to gain access to original records that shed new light on an important chapter in Canadian ethnic labour and women s history **International Communism and the Cult of the Individual** Kevin

Morgan,2016-12-28 This book explores how the communist cult of the individual was not just a Soviet phenomenon but an international one When Stalin died in 1953 the communists of all countries united in mourning the figure that was the incarnation of their cause Though its international character was one of the distinguishing features of the communist cult of personality this is the first extended study to approach the phenomenon over the longer period of its development in a truly transnational and comparative perspective Crucially it is concerned with the internationalisation of the Soviet cults of Lenin and Stalin But it also ranges across different periods and national cases to consider a wider cast of bureaucrats tribunes heroes and martyrs who symbolised both resistance to oppression and the tyranny of the party state Through studying the disparate ways in which the cults were manifested Kevin Morgan not only takes in many of the leading personalities of the communist movement but also some of the cultural luminaries like Picasso and Barbusse who sought to represent them The cult of the individual was one of the most fascinating troubling and revealing features of Stalinist communism and as reconstructed here it offers new insight into one of the defining political movements of the twentieth century **Canadiana** ,1977 **Catalogue of the Public Archives Library** Public Archives of Canada. Library,1979 Catalogue de la Bibliothèque des Archives publiques Public Archives of Canada. Library,1979 Contemporary Approaches to Canadian History Carl Berger,1987 **Canadian Books in Print** ,1992 **International Books in Print** ,1991 The British Library General Catalogue of Printed Books to 1975 British Library,1979 America, History and Life ,1982 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **The National Union Catalogs, 1963-** ,1964 *The Biography of a New Canadian Family* Pierre L. Delva; Joan Campbell-Delv,2012-10-18 A Happy and Informative Present at the new Universit de Sherbrooke Pierre had developed a four month teaching program for clinical nurses prior to their departure to the Canadian Far North where they would be in charge of a Nursing Station In 1973 a group of them gave me as a parting gift the French translation of *The Scalpel and the Sword* by Ted Allen and Sydney Gordon Toronto 1952 the French version was by Jean Pare Docteur Bethune Montreal 1973 As new Canadians we thought it odd that the French version should take 20 years to appear on the scene We had been in Canada for 15 years In 1975 Pierre s career led him to 1 hospitaldu Sacr Coeur where Dr Bethune worked for over three years 1933 1936 his first experience in a non English environment before going to Spain and China where he died in 1939 He became my last model During the last seven years of his life Dr Bethune was able to adapt in a masterful way to three completely different important complex situations on three different continents January 1936 November 1939 On the social side Joan became secretary of the Montreal based Norman Bethune Foundation A year later Pierre became its fourth Chairman eventually becoming responsible for a professional exchange program between Montreal and China working most of the time at the Bethune International Peace Hospital in Shijiazhuang Hebei Province 19891994 Joan was responsible for a TESL program Pierre for a medical teaching program Note Joan is the note taker keeping a daily

agenda since 1960 without interruptions Pierre took lots of pictures and accumulated written stuff all classified and in sequence in about fifty tightly packed binders
