Meandering through Benga??ru Shridhar G. Rao, 2021-07-28 This book is a meander through Bengaluru a journey where curiosity leads the way Stories historical fact science and legend weave a fascinating tapestry bringing alive Bengaluru from its humble inception to its present day avatar of a bustling metropolis The journey beginning with Kempegauda and his Pete follows tenuous threads in time and place snaking out to the four towers of Kempegauda and beyond to a Bengaluru with an indelible imprint of the British At every turn is an unlikely story about the mundane and what lies hidden in what we routinely see Who would imagine that the ubiquitous Iyengar Bakery was born out of an Englishman's sweet tooth and his craving for bread Or that Tippu's prowess with rockets is commemorated in the Wallops Island facility of NASA Unique in its approach and complemented by beautiful illustrations Meandering Through Bengaluru promises to be a fascinating journey of discovery for some and a rekindling of nostalgia for others *Classified Catalogue of the Library of the Director General of Archaeology* Sten Konow, 1908

Empire and Gunpowder Moumita Chowdhury, 2022-07-19 This book focuses on the relation between technology warfare and state in South Asia in the eighteenth and the nineteenth centuries It explores how gunpowder and artillery played a pivotal role in the military ascendancy of the East India Company in India The monograph argues that the contemporary Indian military landscape was extremely dynamic with contemporary indigenous polities Mysore the Maratha Confederacy and the Khalsa Kingdom attempting to transform their military systems by modelling their armies on European lines It shows how the Company established an edge through an efficient bureaucracy and a standardised manufacturing system while the Indian powers primarily focused on continuous innovation and failed to introduce standardisation of production Drawing on archival records from India and the UK this volume makes a significant intervention in our understanding of the rise of the British Empire in South Asia It will be of great interest to scholars and researchers of history especially military history military and strategic studies and South Asian studies
