Montgomery* Irene Gammel, 2005-01-01 Who ultimately is L M Montgomery and why was there such an obsession with secrecy hiding and encoding in her life and fiction Delving into the hidden life of Canada's most enigmatic writer *The Intimate Life of L M Montgomery* answers these questions The eleven essays illuminate Montgomery's personal writings and photographic self portraits and probe the ways in which she actively shaped her life as a work of art This is the first book to investigate Montgomery's personal writings which filled thousands of pages in journals and a memoir correspondence scrapbooks and photography Using theories of autobiography and life writing the essays probe the author's flair for the dramatic and her exuberance in costuming while also exploring the personal facts behind some of her fiction including the beloved *Anne of Green Gables* Focussing on topics such as sexuality depression marriage aging illness and writing the essays strip away the layers of art and artifice that disguised Montgomery

s most intensely guarded secrets including details of her affair with Herman Leard her marriage with Ewen Macdonald and her friendships with Nora Lefurgey and Isabel Anderson The book also includes rare photographs taken by Montgomery and others many of which have not previously appeared in print One of the highlights of *The Intimate Life of L M Montgomery* is the inclusion of a secret diary that Montgomery wrote with Lefurgey in 1903 This hilarious document is a rare find for Montgomery s teasing banter presents us with a new voice that is distinct from the sombre tone of her journals Published here for the first time more than 100 years after its composition this diary is virtually unknown to readers and scholars and is a welcome addition to the literature on this important figure This volume fills in many of the blanks surrounding Montgomery s personal life Engaging and erudite it is a boon for scholars and Montgomery fans alike *The Selected Journals of L. M. Montgomery* Lucy Maud Montgomery, 1987 *The L.M. Montgomery Reader* Benjamin Lefebvre, 2013-01-01 An exciting new collection *The L M Montgomery Reader* assembles significant rediscovered primary materials on one of Canada s most enduringly popular authors throughout her high profile career as the author of the resoundingly successful *Anne of Green Gables* 1908 and after her death Each of its three volumes gathers pieces published all over the world to set the stage for a much needed reassessment of Montgomery s literary reputation Much of the material is freshly unearthed from archives and digital collections and has never before been collected in book form The ninety selections appearing in this first volume focus on Montgomery s role as a public celebrity giving a strong impression of her as a writer and cultural critic as she discusses a range of topics with wit wisdom and humour including the natural landscape of Prince Edward Island her wide readership anxieties about modernity and the continued relevance of old ideals These essays and interviews are joined by a number of additional pieces that discuss her work s literary and cultural value in relation to an emerging canon of Canadian literature with nearly one hundred selections in all Each volume is accompanied by an extensive introduction and detailed commentary by leading Montgomery scholar Benjamin Lefebvre that trace the interplay between the author and the critic as well as between the private and public Montgomery This volume and the *Reader* as a whole adds tremendously to our understanding and appreciation of Montgomery s legacy as a Canadian author and as a literary celebrity both during and beyond her lifetime Publisher s description *Through Lover's Lane* Elizabeth R. Epperly, 2007-01-01 It might surprise some to know that internationally beloved Canadian writer L M Montgomery 1874-1942 author of the *Anne of Green Gables* series among other novels and hundreds of short stories and poems also fuelled a passion for photography For forty years Montgomery photographed her favourite places and people using many of these photographs to illustrate the hand written journals she left as a record of her life Artistically inclined and possessing a strong visual memory Montgomery created scenes and settings in her fiction that are closely linked to the carefully composed shapes in her photographs Elizabeth Rollins Epperly s *Through Lover s Lane* is the first book to examine Montgomery s photography in any depth it is also the first study to connect Montgomery s photography with her fiction and other writing Drawing on the work of Montgomery scholars as well as

theorists such as Susan Sontag Gaston Bachelard Roland Barthes John Berger and George Lakoff Epperly connects Montgomery's practice of photography with the writer's metaphors for home and belonging Epperly examines thirty five of Montgomery's photographs demonstrating how they figure in the novelist's life and fiction She argues that the shapes in Montgomery's favourite place in nature Lover's Lane in Cavendish P E I organized Montgomery's other photographs underpinned her colourful descriptions and grounded her aesthetics Through Lover's Lane suggests how an artist creates metaphors that resonate within a single work echo across a lifetime of writing and photography and inspire readers and viewers across cultures and time
