Leviticus 25:2-5

(2) Speak unto the children of Israel, and say unto them, When ye come into the land which I give you, then shall the land keep a sabbath unto the LORD.

(3) Six years thou shalt sow thy field, and six years thou shalt prune thy vineyard, and gather in the fruit thereof;

(4) But in the seventh year shall be a sabbath of rest unto the land, a sabbath for the LORD: thou shalt neither sow thy field, nor prune thy vineyard.

(5) That which groweth of its own accord of thy harvest thou shalt not reap, neither gather the grapes of thy vine undressed: for it is a year of rest unto the land.

Shemittah What Its All About:

It's All About the Weddings Dr. Joseph A. Herr, 2023-10-05 I wake up every morning wanting more and more of God I have fallen in love with Him and can't get enough of Him I know without question that if I rightly divide the Word 2 Timothy 2:15 then I will eliminate all confusion and questions in the Word But I was challenged by a theologian whom I respect highly He said These scriptures are problematic for the rapture I was confident that I could find the answer but was hitting a block wall I asked God for the answer Little did I know He would wake me at 2:00 a.m. to give it to me The answer He gave me has changed my spiritual life dramatically and has allowed me to see several of the divine secrets He has left to illuminate His Word and to reveal truths that allow us to see Him and His plan in a brand new light The intent of this book is to reveal those secrets which have totally changed my perspective in so many important areas throughout the entire Bible I now have an understanding that goes far past the literal meaning into the spiritual intimacy of what God intended in areas like the family of God Jesus the way salvation grace communion the rapture the tribulation the millennium the entire book of Revelation and maybe most importantly I now see our relationship with God the Father in a totally different light I feel what Paul prayed for us all in Ephesians 1:17-18 that I have been given the spirit of wisdom and revelation in Him and that my eyes have been enlightened My eyes have been opened to a part of the Word that has changed the way I view all scriptures now My hope is that by reading and learning about these divine secrets your spiritual life will be impacted like mine has been God bless

several chapters treat more purely personal topics response to suffering Shabbat prayer and shemittah They are followed by discussions of aspects of the sensitive areas of conversion abortion and the Israeli chief rabbinate commingled with two essays more sociologically oriented on Jewish self identification and communal service and an exchange concerning Baruch Goldstein These are in turn followed by two chapters focused upon modern or centrist Orthodoxy particularly The volume concludes with a series of responses to major questions posed in various symposia in which participants were asked descriptively and prescriptively both to evaluate the current Jewish scene and to chart a suggested course for its future direction

Jewish Action ,2006 Jewish Mysticism and Kabbalah Frederick E. Greenspahn,2011-11-01 Over the past generation scholars have devoted increasing attention to the diverse forms that Jewish mysticism has taken both in the past and today what was once called nonsense by Jewish scholars has generated important research and attention both within the academy and beyond as demonstrated by the popular fascination with figures such as Madonna and Demi Moore and the growing interest in spirituality In *Jewish Mysticism and Kabbalah* leading experts introduce the history of this scholarship as well as the most recent insights and debates that currently animate the field in a way that is accessible to a broad audience From mystical outpourings in ancient Palestine to the Kabbalah Centre and from attitudes towards gender to mystical contributions to Jewish messianic movements this volume explores the various expressions of Jewish mysticism from antiquity to the present day in an engaging style appropriate for students and non specialists alike *Piety and Rebellion*

Shaul Magid,2019-09-17 *Piety and Rebellion* examines the span of the Hasidic textual tradition from its earliest phases to the 20th century The essays collected in this volume focus on the tension between Hasidic fidelity to tradition and its rebellious attempt to push the devotional life beyond the borders of conventional religious practice Many of the essays exhibit a comparative perspective deployed to better articulate the innovative spirit and traditional challenges Hasidism presents to the traditional Jewish world *Piety and Rebellion* is an attempt to present Hasidism as one case whereby maximalist religion can yield a rebellious challenge to conventional conceptions of religious thought and practice *The Otherworld and Beyond* J.R.
