Tree Of Life, Tree Of Knowledge Michael Rosenak, 2019-03-22 From the Preface THE IDEA OF THIS BOOK came to my mind many years ago after several conversations with my friend and colleague in Jewish educational studies Joseph Lukins professor at the Jewish Theological Seminary in New York He had suggested that an educated Jew is among other things one who lives in some spiritual and cognitive proximity to the weekly Torah reading the parashat hashavua portion of the week He insisted that issues in the philosophy of education might be in the liturgy's scriptural readings that even the way messages of tradition divided the Torah into portions reflected discrete modes of teaching Torah In this book theoretical conceptions garnered from many places even if they do not precede reading of Torah are certainly prisms through which I can read it

The Book of the Covenant Martin Sicker, 2010-03-25 According to the biblical narrative in addition to the Ten Commandments Moses received a series of supplementary instructions to guide the people as they set about establishing a society in conformity with the covenant that are to be found in the so called the Book of the Covenant The book which is imbedded in the biblical book of Exodus essentially contains addenda or amendments to longstanding customary laws with which the children of Israel were already familiar and for this reason its various components vary widely in scope depending on the extent of differentiation from customary law that they entail This study of the ordinances in the Book of the Covenant focuses not only on what they meant for the ancient Israelites but also how those laws rules instructions and admonitions were treated and in some instances modified as they were incorporated into the huge corpus of Jewish Law as it emerged over a period of some two and a half millennia

Hasselhoff, 2017-05-15 Die Frage nach Religion und Gewalt wird zur komplexen Herausforderung wie dieser Band mit der ungew hnlichen Vielfalt seiner Beitr ge zeigt Er befasst sich mit Gewalt in den Heiligen Texten der drei gro en Buchreligionen Mit den mittelalterlichen Judenprozessen und den Bauernkriegen wird sowohl die historische als auch die rechtliche Dimension des Themas ber hrt Grundlegende philosophische und theologische Reflexionen schlie en sich an und der Blick auf den westlichen Konsumismus enth llt weniger sichtbare strukturelle und gesellschaftliche Gewalt Dem wird die exemplarische Sicht auf Indien gegen bergestellt die zeigt dass das Problem mit einem rein westlich europ ischen Blick vollkommen unterbestimmt ist Damit regt der Band zum Weiterdenken dieses ebenso aktuellen wie grundlegenden Menschheitsproblems an The question of religion and violence becomes a complex challenge as is proven by the unusual diversity of the articles in this volume which deals with violence in the sacred writings of the three great book religions Along with medieval Jewish trials and peasant wars both the historical and legal dimensions of this subject are also touched upon Basic philosophical and theological reflections are also considered whilst it is revealed that structural and societal violence is seemingly less visible when looking at Western economism This is contrasted with the exemplary perspective on India illustrating that the issue is consummately ill defined by viewing it from a purely Western European perspective This volume encourages the reader to continue thinking about this current and fundamental problem of mankind Reading Jewish Religious Texts Eliezer Segal, 2012-02-07 Reading Jewish Religious Texts introduces students to a range of significant post biblical Jewish writing It covers diverse genres such as prayer and liturgical poetry biblical interpretation religious law philosophy mysticism and works of ethical instruction Each text is newly translated into English and accompanied by a detailed explanation to help clarify the concepts and arguments The commentary also situates the work within its broader historical and ideological context giving readers an enhanced appreciation of its place in the Jewish religious experience This volume includes a comprehensive timeline glossary and bibliography ** NTRE PESHAT  I SOLA SCRIPTURA  N TRATATUL TEOLOGICO-POLITIC (CAPITOLUL VII).
