Forthcoming Books Rose Arny,1990 **Lincoln's Citadel: The Civil War in Washington, DC** Kenneth J. Winkle,2013-08-19 The stirring history of a president and a capital city on the front lines of war and freedom In the late 1840s Representative Abraham Lincoln resided at Mrs Sprigg s boardinghouse on Capitol Hill Known as Abolition House Mrs Sprigg s hosted lively dinner table debates of antislavery politics by the congressional boarders The unusually rapid turnover in the enslaved staff suggested that there were frequent escapes north to freedom from Abolition House likely a cog in the underground railroad These early years in Washington proved formative for Lincoln In 1861 now in the White House Lincoln could gaze out his office window and see the Confederate flag flying across the Potomac Washington DC sat on the front lines of the Civil War Vulnerable and insecure the capital was rife with Confederate sympathizers On the crossroads of slavery and freedom the city was a refuge for thousands of contraband and fugitive slaves The Lincoln administration took strict measures to tighten security and established camps to provide food shelter and medical care for contrabands In 1863 a Freedman s Village rose on the grounds of the Lee estate where the Confederate flag once flew The president and Mrs Lincoln personally comforted the wounded troops who flooded wartime Washington In 1862 Lincoln spent July 4 riding in a train of ambulances carrying casualties from the Peninsula Campaign to Washington hospitals He saluted the One Legged Brigade assembled outside the White House as orators their wounds eloquent expressions of sacrifice and dedication The administration built more than one hundred military hospitals to care for Union casualties These are among the unforgettable scenes in Lincoln s Citadel a fresh absorbing narrative history of Lincoln s leadership in Civil War Washington Here is the vivid story of how the Lincoln administration met the immense challenges the war posed to the city transforming a vulnerable capital into a bastion for the Union Confirmation Hearing on the Nomination of Paul J. Duncan,2007-06-01 During the Civil War the strategically located town of Winchester Virginia suffered from the constant turmoil of military campaigning perhaps more than any other town Occupied dozens of times by alternating Union and Confederate forces Winchester suffered through three major battles including some seventy smaller skirmishes In his voluminous community study of the town over the course of four tumultuous years Richard R Duncan shows that in many ways Winchester s history provides a paradigm of the changing nature of the war Indeed Duncan reveals how the town offers a microcosm of the war slavery collapsed women assumed control in the absence of men and civilians vied for authority alongside an assortment of revolving military commanders Control over Winchester was vital for both the North and the South Confederates used it as a base to strike the Baltimore and Ohio Railroad and conduct raids into western Maryland and Pennsylvania and when Federal forces occupied the town they threatened Staunton Lee s breadbasket and the Virginia Central Railroad At various times during the war generals Stonewall Jackson Nathaniel Banks Robert Milroy Richard Ewell Jubal Early and Philip Sheridan each controlled the town Guerrilla activity further compounded the region s strife as insecurity became the norm for its civilian population In this first scholarly treatment of occupied Winchester Duncan has compiled a narrative of voices from the entire community including those of groups often omitted from such studies such as slaves women and Confederate dissenters He shows how Federal occupation meant an early end to slavery in Winchester and how the paucity of men left women to serve as the major cohesive force in the community making them a bulwark of Confederate support He also explores the tensions between civilians and military personnel that inevitably arose as each group sought to protect its interests The war Duncan explains left Winchester a landscape of wreckage and economic loss A fascinating case study of civilian survival amid the turmoil of war Beleaguered Winchester will appeal to Civil War scholars and enthusiasts alike *Kentucky Cavaliers in Dixie* George Dallas Mosgrove,1999-02-01 George Dallas Mosgrove was born

in Louisville Kentucky in 1844 and enlisted in the Fourth Kentucky Cavalry Regiment as a private on September 10 1862 Through service as a clerk and orderly in both regimental and brigade headquarters he became familiar with the environment of officers and command His eyewitness account illuminates the western theater of the Civil War in Kentucky east Tennessee and southwest Virginia Mosgrove admits to a romanticism influenced by Sir Walter Scott in his description of the superiority of the officers and some of the boys in his regiment At the same time his narrative includes unadorned passages that depict with stark honesty the sordidness of war and man's inhumanity Mosgrove provides firsthand information about military actions at Blue Springs Saltville and elsewhere and relates details of his participation in John Hunt Morgan's Last Kentucky raid and the skirmish where Morgan was killed Mosgrove's highly entertaining account is a perceptive and informative retelling of the truth as he saw it This Bison Books edition also contains newly discovered material on Morgan's death

Let Us Have Peace Brooks D. Simpson,2014-06-30 Historians have traditionally drawn distinctions between Ulysses S Grant's military and political careers In Let Us Have Peace Brooks Simpson questions such distinctions and offers a new understanding of this often enigmatic leader He argues that during the 1860s Grant was both soldier and politician for military and civil policy were inevitably intertwined during the Civil War and Reconstruction era According to Simpson Grant instinctively understood that war was politics by other means Moreover he realized that civil wars presented special challenges reconciliation not conquest was the Union's ultimate goal And in peace Grant sought to secure what had been won in war stepping in to assume a more active role in policymaking when the intransigence of white Southerners and the obstructionist behavior of President Andrew Johnson threatened to spoil the fruits of Northern victory
