**Listening to British Nature** Michael Guida, 2022 Listening to British Nature Wartime Radio and Modern Life 1914-1945 argues that trench warfare created new practices of listening to nature in order to cultivate an intimate connection with its vibrations to understand danger and to imagine survival In focusing on the sensing of sounds and rhythms this study demonstrates how nature retained its emotional potency as the pace of life seemed to increase and new man-made sounds and sonic media appeared all around

*The Shepherd's Kalender* J. S., 1735 **The Shepherd's Guide** James Hogg, 1807 *The Shepherd's Cross* A. R. Weisser, 2023-10-27 To those who are called the shepherding ministry is meant by God to be one of life's greatest joys Yet like a clipper ship sailing past the tip of a great unknown continent in the dead of night this joy is vast unexpected and easy to miss For many the initial joy of shepherding souls fades into exhaustion resentment even burnout It does not last It was not meant to Much of the early reward of ministry done well is rooted in the gratification of the natural self The immature shepherd fails to glory in weakness and naturally prefers to glory through strength giving God the credit of course Jesus said If anyone would come after me he must take up his cross But why a cross For the joy set before us Only ministry embraced as an opportunity to die will reduce the temptation to eventually hate it Only when walking in the power of a crucified life will a minister be anything more than powerless Only once fallen to the ground and perished will a leader bear much fruit So wrestle that shepherd's cross on your shoulders There is much joy yet to be discovered
