The background of the cover is a painting of a stone building at night. A central arched doorway has a red double door with small windows and wreaths. The door is brightly lit from within, casting a warm glow. On either side of the door are smaller arched windows, also glowing with light. The building's exterior is made of rough-hewn stone. A path of snow leads from the foreground to the door, flanked by dark, snow-laden evergreen branches. The overall atmosphere is cozy and wintry.
