Shepherds Year:

The Shepherd's Criterion, 1907 **Notes for one year's Sunday school lessons** James Maurice Wilson, 1906 **The Word on the Street, Year B** John W. Martens, 2017-08-03 In *The Word on the Street* John Martens brings the Bible to where people live in the church at home at work and in the broader world This Lectionary commentary for every Sunday of the liturgical year will help readers understand the Bible in light of their daily lives experiences and challenges and help Sunday Mass preachers find new ways to articulate God's work in the world John Martens is known for his contributions to *The Word* a popular column in *America* magazine *The Word on the Street Year B* is the second book in a three volume series that presents scriptural liturgical and preaching commentary for Sundays throughout the year **Shepherds and Shepherding** Jonathan Brown, 2013-03-10 The old time shepherd lamb in one hand crook in the other is an emblem of sturdiness dependability and independence He was one of the most important men on the farm responsible for the care and well being of the flock with which he might need to spend days and nights out in open pastures How did he manage his charges and his own life What skills and equipment did he use How did sheep farming change in the nineteenth and twentieth centuries and what effect did those changes have on the shepherd's work These are some of the questions considered by this fully illustrated exploration of shepherding life *Shepherd's Journal (The)*. William James Clarke, 1916 **The Essex Review**, 1921 **Recent Egyptian Discoveries Concerning Joseph, Moses, and the Exodus** David Burnett, 1886 **Among Australia's Pioneers** Margaret Slocomb, 2014 The almost simultaneous abolition of the slave trade and the cessation of convict transportation to the colony of New South Wales now eastern mainland Australia started a quest by the squatter pastoralists for alternative sources of cheap labor for their vast sheep runs Over a period of five years beginning from 1848 around three thousand Chinese men and boys from Fujian Province were recruited under conditions little different from the slave trade In *Among Australia's Pioneers* author Margaret Slocomb focuses on the experiences of approximately two hundred of these Chinese laborers between 1848 and 1853 Her research examines their working conditions during the five year indenture period and also traces the lives of several of the men who at the end of their contract chose to remain in those districts which by then had become familiar to them Perhaps they regarded themselves as pioneer immigrants Slocomb recounts the experiences of these men on the dangerous northern frontier of European settlement While some succumbed to the despair and loneliness of a shepherd's life others survived their indenture and went on to play an important role in the emerging society of the new colony of Queensland They may certainly be counted among the nation's pioneers **The Circle of Mountains** Sandra Ott, 1993-11-15 Ott provides an excellent ethnography of a French Basque agrarian and shepherding community The commune of Sainte Engrace extends along a mountain valley in the southeastern corner of Soule one of the three Basque provinces in France In *The Circle of Mountains* Sandra Ott examines the importance of cooperation and reciprocity as the essential basis for the main institutions within this community These French Basques

visualize their community as a circle and their vision of living in the circle of mountains rather than in a valley reflects their perspective on the society in which they live The first half of the book incorporates material on history ecology and economy and delves deeply into the domestic organization kinship and neighborliness of this Basque community In the second half of the book the author introduces the males customary roles as shepherds and cheesemakers Following a detailed commentary on these vocations Ott suggests that these seemingly prosaic activities represent the male attempt at symbolic fulfillment of the female procreative and nurturing roles In a new afterword Ott discusses developments that have impacted life in the pastoral community of Sainte Engr ce since the original publication of the book including the acquisition of telephones and the construction of roads to nearly every home The Circle of Mountains will be of interest not only to social anthropologists but also to those concerned with the Basque language and culture and to scholars and students of ethnology international studies and political science

The Shepherd's Journal William James Clarke,1911

A Year's Journey From A Pastor's Perspective Vernon R Groce,2023-06-28 A few years ago I felt led by the Lord to write this book of devotions At the time my motivation was for the most part my family as I knew that we are living in perilous times and as we draw nearer to the coming of the Lord the times would not get better but worse But then I began to understand that the body of Christ the church and the individuals that make up the church are and will face issues that may be unique to this time in history But God s word is all inclusive and is relevant to all times and all situations As David said in Psalm 119 105 Thy word is a lamp unto my feet and a light unto my path In this book of devotions with God s help I wanted to speak about and deal with the issues that we face in life from a scriptural standpoint knowing that in God s word there is a direction strength encouragement and comfort And it is my prayer that the reader find peace and hope in the Lord and be motivated to draw high to him knowing that our hope is not in this world but in Jesus Christ
