*Sherlock Holmes Handbook* sums up a Canadian scholar's lifetime expertise about Sherlock Holmes the characters and themes the publishers and readers Victorian London and the Houdini connection radio actors and cartoonists the fans who cling to Holmes's reality and the professors who tease out motifs from the fifty six short stories and four novels The first edition of *Sherlock Holmes Handbook* appeared in 1993 This edition catches up on new films new books a few with a hint of the supernatural and the advent of the Internet which has spread Holmes's fame and Sherlockian fun even further worldwide The intervening years have brought three multi volume editions of the Sherlock Holmes stories with hundreds of footnotes providing new insights and new amusement They have also seen Holmes repeatedly on the amateur and professional stages including a few Canadian productions And there have been changes to everything from copyright rules to libraries booksellers and audio recordings **The Sherlock Holmes Handbook for the Digital Age** Alan Pearce, 2016

*Sherlock Holmes* is the greatest detective of all time He is driven to right the wrongs of the world It is only natural that he should turn

his attention to the Internet The Internet has become a sinister and dangerous place a grotesque parody of all that it originally promised explains Holmes Open your eyes Watson We are living in a postmodern surveillance dystopia from which escape for all but the most skilled individuals is impossible Luckily Holmes has all the right answers This is a cyber security and digital counter surveillance handbook like no other Our two heroes embark on a perilous journey to the Dark Side learning along the way to avoid the traps laid by their adversaries the State the Corporate Giants and the Criminals and Insane From self destructing messages to anonymous browsing we visit alternative Internets and discover how to employ the Dark Arts for the power of good This is a Call to Arms The time has come to reclaim the Internet from the commercial interests the scammers and the surveillance state And as Sherlock Holmes clearly demonstrates it is really simplicity itself This book may only take a few hours to read but it will change your life In the writing of this book Dr Watson has called upon the services of Alan Pearce a renown cyber security expert and author of numerous books who lectures around the world and trains journalists and others in digital counter surveillance

Good Old Index Thomas W. Ross,2002-05 A fascinating collection of information hitherto unavailable about the Great Detective and his creator Sir Arthur Conan Doyle For example the Index lists the astonishing variety of weapons employed in the stories life preservers blackjacks chairs poison gas and an arsenal of knives and pistols You can study Holmes s garb and the Index facilitates the evaluation of the character of Dr Watson Provides abundant material for an assessment of Doyle s writing habits he was one of the greatest storytellers in English but could be pompous Includes thousands of Sherlockian facts into alphabetically arranged categories that allow the reader to find what information instantly

**Good Old Index** Thomas Wynne Ross,1997 Good Old Index is a fascinating collection of information hitherto unavailable about the Great Detective and his creator Sir Arthur Conan Doyle For example the Index lists the astonishing variety of weapons employed in the stories life preservers black jacks chairs poison gas and an arsenal of knives and pistols Readers can study Holmes s garb and the Index facilitates the evaluation of the character of Dr Watson It also provides abundant material for an assessment of Doyle s writing habits He was one of the greatest story tellers in English but could be pompous and circumloquacious as when he calls a sawed off shotgun a truncated fowling piece The author has included thousands of Sherlockian facts into alphabetically arranged categories that allow the reader to dip into the book and find what he wants instantly This volume fills a unique void in the literature on Doyle and his famous detective
