J. Elliott, Dennis Bateman, Rick May, David Natale, Gareth Tilley, Matthew Booth, J. R. Campbell, Jeremy B. Holstein, Roger Silverwood, Teresa Collard, Jim French, John Hall, Steven Philip Jones, Iain McLaughlin, Claire Bartlett, Daniel McGachey, 2017-11-27 2017 is the 130th anniversary of the publication of *A Study in Scarlet* the first recorded adventure of Sherlock Holmes and Dr John H Watson What an amazing journey it's been In addition to the pitifully few sixty tales originally presented in *The Canon* published between 1887 and 1927 there have been literally thousands of additional Holmes adventures in the form of books short stories radio and television episodes movies manuscripts comics and fan fiction And yet for those who are true friends and admirers of the Master Detective of Baker Street where it is always 1895 or a few decades on either side of that these stories are not enough Give us more In March

1998 legendary radio dramatist producer writer director and founder of Imagination Theatre listened to this request and broadcast the first of an astounding number of Holmes radio shows over their United States network of stations In the intervening years 128 original Holmes episodes and one recently found lost episode were broadcast before Imagination Theatre closed its doors in early 2017 Additionally the cast and crew performed their version of the entire Holmes Canon between 2005 and 2016 featuring the same actors as Holmes and Watson John Patrick Lowrie and Larry Albert respectively as well as having every script adapted by the same author M J Elliott something that has never been done before Astonishingly this great number of episodes were written by a relatively small group of dramatists Imagination Theatre s departure from the airwaves left a great void both in terms of those seeking movies for your mind but also those wanting new quality stories about the true Sherlock Holmes set in the correct period and featuring tales that truthfully represented Holmes and Watson This book serves both to honor Jim French and his lifetime of achievements and also Mr Sherlock Holmes along with the dramatists cast and crew who brought the new adventures to life Inside this volume you will find a script by every one of the authors who wrote about Holmes for Imagination Theatre representing some of the finest new Holmesian storytelling to be found and honoring the man described by Watson as the best and wisest whom I have ever known Featuring fourteen scripts from every writer who contributed to the series run of Imagination Theatre s Sherlock Holmes

Mazzeno,2023 Examines both academic and popular assessments of Conan Doyle s work giving pride of place to the Holmes stories and their adaptations and also attending to the wide range of his published work Twenty first century readers television viewers and moviegoers know Arthur Conan Doyle as the creator of Sherlock Holmes the world s most recognizable fictional detective Holmes s enduring popularity has kept Conan Doyle in the public eye However Holmes has taken on a life of his own generating a steady stream of critical commentary while Conan Doyle s other works are slighted or ignored Yet the Holmes stories make up only a small portion of Conan Doyle s published work which includes mainstream and historical

fiction history drama medical spiritualist and political tracts and even essays on photography When Doyle published whatever the subject his contemporaries took note Yet outside of the fiction featuring Sherlock Holmes until recently relatively little has been done to analyze the reception Conan Doyle s work received during his lifetime and since his death This book examines both academic and popular assessments of Conan Doyle s work giving pride of place to the Holmes stories and their many adaptations for print visual and online media but attending to his other contributions to turn of the twentieth century culture as well The availability of periodicals and newspapers online makes it possible to develop an assessment of Conan Doyle s and Sherlock Holmes s reputation among a wider readership and viewership thus allowing for development of a broader and more accurate portrait of Doyle s place in literary and cultural history
