## **Shes Gotta Have It:**

She's Gotta Have It Niqui Stanhope, 2025-06-25 From African American fiction staple Niqui Stanhope comes *She's Gotta Have It* a story of a woman's one last fling Camille Roberts is about to marry a very wealthy much older man She has told her best friend Lola St James that she will only marry for money and not for love She is convinced that she is not the corporate type In fact she has underlined the fact that she would be perfectly comfortable just staying at home and looking after an entire pack of kids But any dreams of children will have to be shelved since her older fianc 57 years old has already raised three children of his own two girls and a boy all of whom are excelling in their respective careers and has neither the time nor the interest in becoming a father again He has told her that he will not change his mind on this matter and so she will just have to console herself with all the things his money can buy her Camille is forced to make a hard choice Marry for love and live a modest traditional life with a good nine to five working man or marry for money and live the lavish jet setting life of the rich and famous Camille chooses to go for the money and a lavish wedding is planned But two months before her scheduled nuptials Camille decides to treat herself to one final fling of the riotous kind A get your groove back trip to Jamaica where she will for one final time deliberately seek out and bed the sexiest most booty licious young man she can find before settling down to a life of placid sexuality

*She's Gotta Have It* Shvonne Latrice, 2016-01-07 *She's Gotta Have It* A Hood Love Story is the tale of three sisters Andi Zooey and Josalyn Richardson who were abandoned at a young age by their globetrotting parents Forced to live with their rich and overbearing grandparents the girls grow up privileged and very entitled When their grandparents suddenly die the sisters inherit a large amount of money and are finally able to live as they please a lifestyle their poor grandparents would've never approved of Andi and Zooey are determined to make their dreams come true and will do anything and anyone they need to in order to get there They will lie scheme and maybe even murder Josalyn on the other hand is more interested in living a normal life despite her sisters advice She wants someone who will love her for her not someone who is number one on the charts As they wished the sisters are thrust into Hollywood by way of their very famous significant others including unwilling participant Josalyn All is well until they realize that these famous men are not all that they're cracked up to be Some are crazy overbearing and very taken To make matters worse while attempting to achieve fame and fortune Andi and Zooey develop a reputation for themselves that seems to precede them wherever they go Will they realize that their reputation is more important than scheming to bed a famous man Or will it be too late On the brighter side Josalyn seems to have snagged the man of her dreams in rapper Cassian but is he really the man of her worst nightmare *She's Gotta Have It* is filled with deceit murder love lies and plenty of sex

*She's Gotta Have It 2* Shvonne Latrice, 2016-02-04 The sisters are back and each of them are forced to deal with the choices they've made After sleeping her way to the top Andi has found herself in a relationship from hell with one of the biggest rappers around Will she finally find the strength to leave and change her ways Or will she be stuck on stupid forever eventually scheming her way to an early

grave Zoëy committed the unthinkable by going for another woman's husband and had to ultimately pay the price for it. In the midst she also lost the love of her life. Will God give her another chance to make things right? Or will her sleazy ways end her life before the age of twenty-five? Joselyn and Cassian built a love only found in the movies, but when Cassian's depression over his dwindling rap career led him to a drug addiction, he took things too far. Will Cassian be able to come back from such a horrific act? Or will he continue on his downward spiral, leaving us all wondering what could've been between him and Joselyn Richardson? *She's Gotta Have It 2: A Hood Love Story* takes you on an emotional roller coaster ride with drama, lies, and love on every page.

***Redefining Black Film*** Mark A. Reid, 1993-02-23 Can films about black characters produced by white filmmakers be considered black films? In answering this question, Mark Reid reassesses black film history carefully, distinguishing between films controlled by blacks and films that utilize black talent but are controlled by whites. Previous black film criticism has buried the true black film industry, Reid says, by concentrating on films that are about but not by blacks. Reid's discussion of black independent films, defined as films that focus on the black community and that are written, directed, produced, and distributed by blacks, ranges from the earliest black involvement at the turn of the century up through the civil rights movement of the Sixties and the recent resurgence of feminism in black cultural production. His critical assessment of work by some black filmmakers, such as Spike Lee, notes how these films avoid dramatizations of sexism, homophobia, and classism within the black community. In the area of black commercial film controlled by whites, Reid considers three genres: African American comedy, black family film, and black action film. He points out that even when these films use black writers and directors, a black perspective rarely surfaces. Reid's innovative critical approach, which transcends the black image language of earlier studies and at the same time redefines black film, makes an important contribution to film history. Certain to attract film scholars, this work will also appeal to anyone interested in African American and Women's Studies.

***New York Magazine***, 1986-08-18 New York Magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

***Production Design in the Contemporary American Film*** Beverly Heisner, 2004-01-30 While the viewer's eyes are trained on the actors, the production design sets the mood for the film. The design also subtly comments on the action and the characters, moves the plot forward, and adds to its symbolic content. The production design of 23 films of the 1980s and 1990s is analyzed here. The films are divided into five areas: realistic films set in the present day; stylized films, including horror, set in the present day; period films that move through several decades; and science fiction and fantasy films. Among the movies analyzed are *The Silence of the Lambs*, *She's Gotta Have It*, *The Fisher King*, *Ragtime*, *Barton Fink*, *Goodfellas*, and *Alien*. The quality of the designs is assessed by a careful reading of the *mise en scene*. Often the designers
