Shes My Sister:

She's Not Crazy; She's My Sister Leah Eckart,2022-05-04 All Grace wants is to have a normal life but with an autistic younger sister who is nonverbal that is a challenge The fact that she also has an annoying sister who is a kindergarten brat makes things doubly difficult From the time Grace wakes up until she goes to bed she has to deal with one or both of her sisters throwing a fit about something Also she knows her mom and dad are stressed out so she feels the pressure to always be helpful and good while she is at home with her family This year she is starting at a new school and she just wants to make a good impression make some new friends and let her home life be a secret She especially wants to make one on the cute boy Grayson who is in her class But when a mean girl in her class meets her wild family it seems like all hope is lost It definitely does not help that the nasty girl has a crush on the same boy as she does and is one of the most popular girls in the whole school Will she allow a bully to ruin her whole school year Or will she stand up for her sister and risk everyone knowing that her family is different

She's More Than a Friend, She's My Sister Renee Daniels,2017-09 *My Sister's Voice* Mary Carter,2012-06-06 A deaf artist and former orphan finds the twin sister she never knew she had in this gripping entertaining novel of family bonds and self discovery Cathy Lamb author of *Henry's Sisters* A proudly deaf artist living in Philadelphia Lacey Gears is exactly where she wants to be At twenty eight years old she rarely thinks about her difficult childhood in a home for disabled orphans That is until she receives a shocking letter that begins You have a sister A twin to be exact When Lacey learns that her hearing twin Monica experienced the normal childhood she was denied she angrily sets out to find Monica and her biological parents But the truth about Monica's life and the reason for the twins separation is far from simple And every answer Lacey discovers only raises more questions At once a story about love and loss family and friends the world of the hearing and that of the deaf *My Sister's Voice* satisfies on many levels Holly Chamberlin author of *The Family Beach House*

[Pieces of My Sister's Life](#) Elizabeth Arnold,2007-07-31 Two sisters who shared everything One unforgivable moment And a second chance There's something to talk about in every chapter of Elizabeth Joy Arnold's poignant insightful debut novel the perfect summer read for all those who loved Elisabeth Robinson's *The True and Outstanding Adventures of the Hunt Sisters* Judy Blume's *Summer Sisters* and Jodi Picoult's *My Sister's Keeper* Once Kerry and Eve Barnard did everything together sailing the Block Island harbor with their father listening to their neighbor Justin's magical fairy tales and all the while longing for their absent mother They were twin girls arm in arm secrets entwined between two hearts Until the summer of their seventeenth birthday when their extraordinary bond was shattered And thirteen years later it will take all the courage they can summon to put the pieces back together at a time when it matters most

[Blue Country](#) Mark Wentling,2019-11-06 Unexpected twists and turns keep the reader guessing about what will happen next Throughout this entertaining novel is weaved a one way dialogue between a dying prisoner who tells repeatedly his sad story to a hungry jailhouse rat which only lives to eat The story moves from the death and destruction of one town to the amazing rebuilding of

a new town by survivors who lived to tell the tale The human foibles of many of the book's characters are displayed Miracles make possible survival love and marriage but evil lurks beneath the surface and unforeseeable events determine the future of a people and their country Heroes live and die by the hand of hidden forces beyond their control The eyes of an innocent young man offspring of a saintly mother who died giving birth to him are opened to social injustices caused by an elitist power structure The ambitions and interests of a few are pursued to the detriment of the majority Fortunes are decided by a violent border dispute and a heated soccer match that leads to a brief war between two countries The story begins with hopes created by salvation found in the protection of an old church and ends uncannily in the same church where a handful of assorted protagonists find they have been given a new lease on life Yet the question is left open as to which forces will ultimately rule good or evil No mention is made of the sacrifices necessary for good to triumph over evil Will people be willing to work long and hard enough for the good of their country or will they be guided by their own selfish interests and incapacity to understand what is really at stake These questions and others are left to the reader to answer Other questions remain unanswered Will unscrupulous leaders succeed in manipulating people to support them Is divine intervention for the good of the people possible How many chances will good people be given to make the wrongs of society right Will unanticipated events continue to govern the course taken by a people and their country Which way will the wheel of time turn and who will benefit Nobody masters completely with certainty their destiny Fate will be what it will be Several readings of this book could yield some answers to these questions but good answers to these eternal questions will continue to be beyond the grasp of mere mortals In the end it is up to each individual to decide whether or not their life made a positive difference that endures for generations Or maybe this book is only an engrossing superficial story that has nothing to do with any of these heavy questions or any deeper meaning Each reader will have to decide for themselves what this book is about
