Christoph condemns his country's actions but remains cryptic about the part his own grandfather played. Anna meanwhile cannot forget the photos taken by her American GI grandfather at the end of the war preserved in a scrapbook. Only she has seen. As Anna travels back and forth to Germany to deepen her relationship with the elusive Christoph, her perspective is powerfully interrupted by chapters that follow both of their grandfathers during the war. One witnesses the plight of Holocaust victims in the days after liberation and helps capture Hitler's Eagle's Nest while the other fights for Nazi Germany. Their fragmented stories haunt Anna and her lover two generations later and may still tear them apart. Not a World War Two novel in the traditional sense, *The Scrapbook* delivers a consuming tale of first love laced with a backstory of dark family legacies and historical conscience. *English Language Learners: Vocabulary Building Games & Activities, Ages 4 - 8* Seberg, 2010-05-18 Instill a love of language in English Language Learners in grades PK-3 using Vocabulary Building Games and Activities.
