Shining Stars:

Modern Girls, Shining Stars, the Skies of Tokyo Phyllis Birnbaum, 1999-03-08 The stunning biographical portraits in *Modern Girls Shining Stars the Skies of Tokyo* some adapted from essays that first appeared in *The New Yorker* explore the lives of five women who did their best to stand up and cause more trouble than was considered proper in Japanese society. Their lives stretch across a century and a half of explosive cultural and political transformations in Japan. These five artists—two actresses, two writers, and a painter—were noted for their talents, their beauty, and their love affairs rather than for any association with politics. But through the fearlessness of their art and their private lives they influenced the attitudes of their times and challenged the status quo. Phyllis Birnbaum presents her subjects from various perspectives, allowing them to shine forth in all of their contradictory brilliance: generous and petulant, daring and timid, prudent and foolish. There is Matsui Sumako, the actress who introduced Ibsen's *Nora* and Wilde's *Salome* to Japanese audiences but is best remembered for her ambition, obstreperous temperament, and turbulent love life. We also meet Takamura Chieko, a promising but ultimately disappointed modernist painter whose descent into mental illness was immortalized in poetry by a husband who may well have been the source of her troubles. In a startling act of rebellion, the sensitive aristocratic poet Yanagiwara Byakuren left her crude and powerful husband, eloped with her revolutionary lover, and published her request for a divorce in the newspapers. Uno Chiyo was a popular novelist who preferred to be remembered for the romantic wars she fought. Willful, shrewd, and ambitious, Uno struggled for sexual liberation and literary merit. Birnbaum concludes by exploring the life and career of Takamine Hideko, a Japanese film star who portrayed wholesome working-class heroines in hundreds of films, working with such directors as Naruse, Kinoshita, Ozu, and Kurosawa. Angry about a childhood spent working to provide for greedy relatives, Takamine nevertheless made peace with her troubled past and was rewarded for years of hard work with a brilliant career. Drawing on fictional accounts, interviews, memoirs, newspaper reports, and the creative works of her subjects, Birnbaum has created vivid, seamless narrative portraits of these five remarkable women. **My Bright Shining Star**

LOVER Thaddeus Tadeusz Hutyla, 2015-06-03 It is an anthology of romantic poems addressed to readers who love poems with erotic scents. Love is the central theme in all my poems, and reading the poems feels like hearing some symphonic play or listening to pop and rock hits on radio. I was born in mountainous Rajcza, south Poland, where I spent my childhood and teenage years and where I also studied and participated in the so-called Solidarity movement against the communist regime. I emigrated out of Poland yet when Poland was still in the Soviet thaw, and I became a citizen of New Zealand within five years. I lived in marvelous Wellington, the capital of NZ, called often Windy Wellington due to the very many winds.

blowing through the city both from the Pacific and nearby mountains While in New Zealand I lived there also in Auckland and Coromandel Peninsula for a while Afterwards I traveled worldwide I had been amongst others in China and finally settled down in Antwerp Belgium The United States was always the country of my final destination and my departure from Poland just eight days before martial law was in fact me emigrating to America which I have never so far had luck to get to In the meantime I am feeling myself quite comfortable in the European Union a great project of all Europeans which came true America and especially New York City with its Statue of Liberty remain my dream Freedoms cherished by America are the unstoppable trend and I myself am fully behind it wishing the same to all individuals across the world freedoms human rights love
