Global Cultures Elisabeth Young-Bruehl, 1994-12-09 An anthology of 62 stories from around the non Euro American world providing new definitions of cultural diversity and commonality and an invaluable tool for teachers responding to the growing need for multicultural literature Over the past two decades sweeping political changes and burgeoning new technologies have resulted in communities being increasingly defined in global as well as regional and national terms Although the intellectual terra nova of world cultures remains largely uncharted this anthology of sixty two stories from around the non Euro American world provides what Elisabeth Young Bruehl calls an introductory map to the great wealth of literary works now being produced in at once the particular settings of the writers experiences and the global setting Young Bruehl finds that while the cultural diversity the stories exemplify is amazing so too is the similarity in thematic terms of the concerns that this diversity presents Thus she organized Global Cultures thematically to highlight and clarify how these worldwide cultures both converge and

diverge A comprehensive general introduction outlines forces behind the transnational approach to literary study and chapter introductions contextualize each story Stories from India Cuba South Africa and Uruguay are connected by the theme of exile and immigration tales from Nigeria Guatemala Cameroon and Egypt share a theme of political violence and civil uprisings works from Taiwan Chile Jamaica and Syria describe commonalities of women facing effects of modernization prejudice war and immigration Global Cultures contributes to the fast growing body of contemporary short fictions newly available in English and is an invaluable resource to meet the need for multicultural literature **Trivia** ,1990 **Feminist Studies** ,1989 **Women's Studies Index** ,1989 Hispanic Marginal Literatures ,1991 **Monographic Review** ,1985 **Whitaker's Book List** ,1988 *Ship of Fools, The* Cristina Peri Rossi,1989 *The Ship of Fools* Cristina Peri Rossi,1989 *The Ship of Fools* Sebastian Brant,1874 **The Ship of Fools** Sebastian Brant,1874 **The Ship of Fools** Alexander Barclay,2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The Ship of Fools, Volume 1** Brant Sebastian,2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy The Ship of Fools Sebastian Brant, **Ship of Fools** Katherine Anne Porter,1950
