L. Wright, 2013-12 The Search That Never Was is the true story of a more than ten year effort to find the facts surrounding the disappearance of the author s uncle Lloyd Richard Morgan a World War II U S Navy aviation radioman 2nd class Aboard a Navy B 24 bomber that left Carney Field on Guadalcanal for a mission on July 17 1943 Lloyd s plane failed to return The book not only reveals what happened to the aircraft and crew but moves through the process of search and recovery of missing in action personnel after World War II and up to the present day A major portion of the story concerns the search that the U S Army Quartermaster Corps conducted in 1948 49 throughout the islands of the South Pacific The log of that search which was only declassified in 2010 reveals some very surprising facts that have never before been made public The book is occasionally funny often sad and reveals startling facts surrounding the attempted recovery of WWII MIAs in the South Pacific Karoly and Katia, the love story that never was! Michael Fitzalan, 2014-05-25 This is the story of Karoly a man whose family protected Katia and other Jewish refugees who were trying to escape the advance of Nazi Germany from the west and the advancing Russian s Red Army and their Romanian allies to the east Karoly was a teenage boy who was used as human shield by Romanian liberators in Hungary After the war he was sent to prison while Hungary was under communist control He was committed as a political prisoner for being a member of the Independent Small holders Party the communist party s only serious political rival Under the communist regime anyone who held authority in the community was a threat and Karoly was arrested under a trumped up charge He was sent to M rianosztra where he was given the option of starvation or working as a miner in a forced labour camp Karoly worked in a coalmine until he escaped the cruel communist regime in 1956 **The Ship that Held Line** Lislie Rose, 2012-10-11 The American fleet aircraft carrier Hornet is widely acknowledged for the contributions she made to the war effort The Doolittle Raid launched from the Hornet s deck inaugurated America s Pacific counteroffensive and transformed the aircraft carrier into one of the world s prime strategic weapon systems She was one of three carriers to participate in the victory at Midway and the fighting around Guadalcanal Through the experiences of this key warship and the eyes of her crew and the aviators who flew from her deck Lisle Rose recreates the first desperate year of the war in the

Pacific He tells how the Hornet was molded into a deadly weapon of war how the ship was fought and ultimately lost and what it was like to live aboard her at a time when the fate of the United States depended on the Navy's tiny carrier fleet In chronicling the carrier's operational history the author contends that the fate of the Hornet's air group at Midway remains one of the great controversies in modern naval history and that the ship's importance in helping to keep the Japanese juggernaut at bay during the most critical period of the Pacific war is incontestable His arguments ring true today as the controversy continues Rose succeeds both in letting the reader see things the way the men of the Hornet did and in placing their experiences in a broad historical context

The Nation That Never Was Kermit Roosevelt, 2022-06-24 Persuasively argues that we must liberate ourselves from our sentimentalized attachment to the Founders and even the Declaration of Independence Sanford Levinson author of *Our Undemocratic Constitution* There's a common story we tell about America that our fundamental values as a country were stated in the Declaration of Independence fought for in the Revolution and made law in the Constitution But with the country increasingly divided this story isn't working for us anymore what's more it's not even true As Kermit Roosevelt argues in this eye-opening reinterpretation of the American story our fundamental values particularly equality are not part of the vision of the Founders Instead they were stated in Lincoln's Gettysburg Address and were the hope of Reconstruction when it was possible to envision the emergence of the nation committed to liberty and equality We face a dilemma these days We want to be honest about our history and the racism and oppression that Americans have both inflicted and endured But we want to be proud of our country too In *The Nation That Never Was* Roosevelt shows how we can do both those things by realizing we're not the country we thought we were Reconstruction Roosevelt argues was not a fulfillment of the ideals of the Founding but

rather a repudiation we modern Americans are not the heirs of the Founders but of the people who overthrew and destroyed that political order This alternate understanding of American identity opens the door to a new understanding of ourselves and our story and ultimately to a better America An inspiring reexamination of America s past Publishers Weekly Compelling and well worth consideration Kirkus Reviews starred review **Records and Briefs of the United States Supreme Court**,1832 Hon. Vignettes of Small Glories Christine Scott,2000-10-13 The real victories of our lives frequently can be found after the storms in glimpses of small glories In the midst of the storms of our lives we often find mountains which appear impossible to climb Many times we reach the top only to discover there is yet a higher mountain to climb Sometimes

the rocks of despair and fear cause our steps to falter in defeat In the dark of sleepless nights we ask ourselves What have I achieved Where is the victory Where is the joy Frequently the answers can be found to exist in the illusive and fragile moments of small glories Away from the storm racked mountains in the cool valleys of time live the small glories They echo forth in friendships love laughter fantasy and inspiration Small glories are brief high intensity moments of pure joy or an unexpected gift of insight in time of trouble It is my belief that God sends these moments to us over and over again with HIS affirming touch They are nurturing and vivid reminders to keep us on the pathway of life and increase our sense of direction Some glories are humorous some are subtle and sweet Others explode in a rush to rescue us from inevitable moments of darkness It is imperative that we be aware and open to their arrival Journey with me beyond the storms Perhaps you will be reminded of a similar legacy of memories Reach out to them and let them envelop you in the joy of intangible victories Let the facets of truth warm your heart Finally let the legacy of small glories whisper the calm affirmation of hope Interesting to Note While researching for this book the Author consulted with friends in the marketing field Upon their advice she decided to test market twelve readers on their reactions to the vignettes Six of the readers were very secure in their faith and the other six were somewhat tough and cynical about religion and had very little joy or hope in their attitudes All twelve found that Vignettes of Small Glories had touched them in ways that they had not expected The six that were more spiritual felt that it had offered religious values in a subtle way without preaching or using a lot of Bible quotes Each found themselves sharing a tear or two in pain and joy The six who were a tougher audience were surprisingly more verbal and openly admitted that they shed a number of tears and laughter because the book gave them such a good feeling deep in their hearts One of them commented that she felt such a sense of victory at the end Another felt as though she had Taken a quiet walk on a stepping stone pathway surrounded by vines and flowers and finally came to a small cottage Once inside the cottage she felt welcome and loved Her statement seemed to provide a kindred comfort level and a willingness to be led to a feeling of eventual serenity The twelve readers opinions reinforced the Authors belief in the timing of the book Various television networks are adding more spiritual awareness programs with stories about angels and faith in God Many books are following a similar trend In todays troubled times joy is an exceptional event and hope has become a priority People are anxious and grasping for hope wherever they can find it Although Vignettes of Small Glories is written mostly as an inspiration to women men will also enjoy sharing it with their wives or partners It is intended to touch readers from teens to seniors who may need a fragment of proof that there is a way to grasp for joy and ultimately receive the gift of hope The Authors files contained over one hundred vignettes written throughout her lifetime When death almost touched her own life twice she began her search into the past for solutions in her faith a *A Book of Famous Ships* C.
