## **Shipyards Of British Columbia The Princi:**

**Shipyards of British Columbia** Geoffrey Wilson Taylor,1986      Prince Ships of Northern B.C. Norman Hacking,1995  
From 1910 to 1975 superb coastal liners of Grand Trunk Pacific Railway and later the Canadian National Railway plied the waters of coastal BC connecting Vancouver Victoria and Seattle to Prince Rupert and southeastern Alaska Here is the little known story of these ships brought to life by BC s foremost marine historian and well illustrated with many photos      **A Bridge of Ships** James Pritchard,2011-05-20 In A Bridge of Ships James Pritchard tells the story of the rapidly changing circumstances and forceful personalities that shaped government shipbuilding policy He examines the ownership and expansion of the shipyards and the role of ship repairing as well as recruitment and training of the labour force He also tells the story of the struggle for steel and the expansion of ancillary industries Pritchard provides a definitive picture of Canada s wartime ship production assesses the cost more than 1 2 billion and explains why such an enormous effort left such a short lived legacy The story of Canada s shipbuilding industry is as astonishing as that of the nation s wartime navy The personnel of both expanded more than fifty times yet the history of wartime shipbuilding remains virtually unknown With the disappearance of the Canadian shipbuilding industry from both the land and memory it is time to recall and assess its contribution to Allied victory      *Frank Waterhouse & Company's Pacific Ports ...* Waterhouse, Frank, & Company, Seattle,1919      **Don't Never Tell Nobody Nothin' No How** Rick James,2018-10-13 We operated perfectly legally We considered ourselves philanthropists We supplied good liquor to poor thirsty Americans and brought prosperity back to the Harbour of Vancouver Captain Charles Hudson At the stroke of one minute past midnight January 17 1920 the National Prohibition Act was officially declared in effect in the United States From 1920 to 1933 the manufacture sale importation and transportation of alcohol and of course the imbibing of such products was illegal Prohibition was already a bust in Canada and it wasn t long before fleets of vessels from weather beaten old fish boats to large ocean going steamers began filling their holds with liquor to deliver their much valued cargo to their thirsty neighbours to the south Contrary to popular perception rum running along the Pacific coast wasn t dominated by violent encounters like those portrayed in the movies Instead it was usually carried out in a relatively civilized manner with an oh so Canadian politeness on the British Columbian side Most operated within the law But there were indeed shootouts hijackings and even a particularly gruesome murder associated with the business Using first hand accounts of old time rum runners extensive research using primary and secondary documentation and the often sensational newspaper coverage of the day Don t Never Tell Nobody Nothin No How sets out to explain what really went down along the West Coast during the American Noble Experiment      **British Columbia 100 Years Ago** Fred Thirkell,Bob Scullion,2002 In an era when picture postcards became a unique new way to call home they quickly established a role in enticing an ongoing parade of tourists to British Columbia This book features an impressive collection of black and white lithograph images that were sold to the public in the early twentieth century

Documenting life in British Columbia during this period of time each image has a story to tell Collectively they define the state of affairs in B C a century ago The book is divided into geographic regions with an introductory article and map for each Fred Thirkell and Bob Scullion s previous book of postcard images Postcards From the Past 1996 won a City of Vancouver Heritage Award *Pacific Ports Manual* ,1920 **Power, Politics, and Principles** Taylor Hollander,2018-06-12 Set against the backdrop of the U S experience Power Politics and Principles uses a transnational perspective to understand the passage and long term implications of a pivotal labour law in Canada Utilizing a wide array of primary materials and secondary sources Hollander gets to the root of the policy making process revealing how the making of P C 1003 in 1944 a wartime order that forced employers to the collective bargaining table involved real people with conflicting personalities and competing agendas Each chapter of Power Politics and Principles begins with a quasi fictional vignette to help the reader visualize historical context Hollander pays particular attention to the central role that Mackenzie King played in the creation of P C 1003 Although most scholars describe the Prime Minister s approach to policy decisions as calculating and opportunistic Power Politics and Principles argues that Mackenzie King s adherence to moderate principles resulted in a less hostile legal environment in Canada for workers and their unions in the long run than a more far reaching collective bargaining law in the United States **The Colonial Office List for ...** Great Britain.
