Start With an Earthquake... Tim Stockil,2013-10-01 Start With an Earthquake How to make presentations that wow your audience is designed to help anyone deliver a speech that is dynamic creative and memorable Using this book readers can explore what gives a speech impact through language gesture vocal variety and rhetorical devices It focuses on making a speech more creative and advises how preparing yourself practically physically vocally and emotionally can help banish speech day panic It also clarifies why PowerPoint is generally unhelpful and almost always badly used and reveals a fool proof method for constructing a speech from the initial idea to the final delivery Tim Stockil spent ten years in the theatre as a director before moving into training so he understands both the concept of top quality performance and how to draw it out of even the most nervous and tongue tied subject Central to his method is to ensure that you have both a topic what your speech is about and an objective what you want your audience to feel and do as a result of your presentation Stockil insists that no speech should ever just be about imparting information though many people in business fail to realise this With his theatrical background he shows how to rehearse properly again something that most business people fail to do Stockil peppers the text with real life experiences of his 25 years of running courses on presentation skills and coaching

people one to one Readers will find examples of speeches and the people who gave them successful and otherwise These include a long extract from a very powerful contemporary speech which is accompanied by notes which demonstrate why it is so effective Start With an Earthquake is ideal for those who work in business or have to face presentations on a daily basis However the book would also be helpful to anyone making a speech from a wedding to the Rotary Club Ghost at Dawn Kevan Dale,2021-12-21 Unless everything she knows about the afterlife is a lie she s about to fade for good Karen Jarvis s overthinking never stops not even in death To cope the former child prodigy clings to the rules ignore the visions when they intrude or go crazy don t reach out to the living or they die tap the forty two special points in her house in the same order every day or fade But when a voice from the past pushes her to question the know it all people pleasing that left her friendless in life she launches into a fit of adolescent rebellion long overdue and discovers she s been lied to all along Piecing together the true extent of the deception Karen s off the chart IQ leads her to a weakness in her mentor s ruthless scheme Unfortunately exploiting it means trusting in someone with an average at best IQ Bad idea So when her captor sets her up for an infernal checkmate Karen faces a terrible choice let her crippling fear of falling short undercut her one chance to save herself and the only friends she s ever known or out think her tormentor s every move If you love heroic underdogs pulse pounding twists and turns and endings that leave you on the edge of your seat then you ll love Kevan Dale s gripping novel of psychological horror Buy Ghost at Dawn to take on the perils of the afterlife today **Creation of the Universe and Cosmic History of Earth** Steve Simpson (Author; (Editor); (Illustrator),2004 An in depth analysis of the creation of the universe s and history of earth from a cosmic perspective that terminates with death resuspection ascension of christ
