Choice, 2003 *Victorian Fashion Accessories* Ariel

Beaujot,2013-08-15 In Victorian England women s accessories were always much more than incidental finishing touches to their elaborate dress Accessories helped women to fashion their identities Victorian Fashion Accessories explores how women s use of gloves parasols fans and vanity sets revealed their class gender and colonial aspirations The colour and fit of a pair of gloves could help a middle class woman indicate her class aspirations The sun filtering through a rose colored parasol would provide a woman of a certain age with the glow of youth The use of a fan was a socially acceptable means of attracting interest and flirting Even the choice of vanity set on a woman s bedroom dresser reflected her complicity with colonial expansion By paying attention to the particular details of women s accessories we discover the beliefs embedded in these artefacts and enhance our understanding of the culture at large Beaujot s engaging prose illuminates the complex identities of the women who used accessories in the Victorian culture that created and consumed them Victorian Fashion Accessories is essential reading for students and scholars of history gender studies cultural studies material culture and fashion studies as well as anyone interested in the history of dress

Objects Observed John C. Stout,2018-04-13 Objects Observed explores the central place given to the object by a number of poets in France and in America in the twentieth century John C Stout provides comprehensive examinations of Pierre Reverdy Francis Ponge Jean Follain Guillevic and Jean Tortel Stout argues that the object furnishes these poets with a catalyst for creating a new poetics and for reflecting on lyric as a genre In France the object has been central to a broad range of aesthetic practices from the era of Cubism and Surrealism to the 1990s In the heyday of American Modernism several major poets foregrounded the object in their work however in postwar twentieth century America poets moved away from a focus on the object Objects Observed illuminates the variety of aesthetic practices and positions in French and American poets from the years of high Modernism 1909 1930 to the 1990s
