Sholokhov I Bulgakov

**Harry Daniels, Michael Cole, James V.
Wertsch**

Sholokhov I Bulgakov:

Electrochemistry in a Divided World Fritz Scholz, 2015-10-13 In this collection of interrelated essays the authors review landmark developments in electrochemistry building on biographic material and personal insight The book facilitates understanding of the innate pathways of developments in electrochemical science as a result of lucky circumstances fitting to objective conditions Thus the book will help to understand the present state of electrochemistry and offer inspiration for solving today's scientific challenges The authors as experienced electrochemists from the U S Western and Eastern Europe also provide guidance for scientific careers by presenting biographical examples of famous electrochemists *Writer's Divided Self In Bulgakov's The Master And Margarita* Riitta H Pittman, 1991-11-12

The Cambridge Companion to the Classic Russian Novel Malcolm V. Jones, Robin Feuer Miller, 1998-04-30 Many Russian novels of the nineteenth and twentieth centuries have made a huge impact not only inside the boundaries of their own country but across the western world The Cambridge Companion to the Classic Russian Novel offers a thematic account of these novels in fourteen newly commissioned essays by prominent European and North American scholars There are chapters on the city the countryside politics satire religion psychology philosophy the romantic realist and modernist traditions and technique gender and theory In this context the work of Pushkin Dostoevsky Tolstoy Turgenev Bulgakov Nabokov Pasternak and Solzhenitsyn among others is described and discussed There is a chronology and guide to further reading all quotations are in English This volume will be invaluable not only for students and scholars but for anyone interested in the Russian novel

Fear and the Muse Kept Watch Andy McSmith, 2015-07-07 In this dazzling exploration of one of the most contradictory periods of literary and artistic achievement in modern history journalist Andy McSmith evokes the lives of more than a dozen of the most brilliant artists and writers of the twentieth century Taking us deep into Stalin's Russia *Fear and the Muse Kept Watch* asks the question can great art be produced in a police state For although Josif Stalin ran one of the most oppressive regimes in world history under him Russia also produced an outpouring of artistic works of immense and lasting power from the poems of Anna Akhmatova and Osip Mandelstam to the opera *Peter and the Wolf* the film *Alexander Nevsky* and the novels *The Master and Margarita* and *Doctor Zhivago* For those artists visible enough for Stalin to take an interest in them it was Stalin himself who decided whether they lived in luxury or were sent to the Lubyanka the headquarters of the secret police to be tortured and sometimes even executed McSmith brings together the stories of these artists including Isaac Babel Boris Pasternak Dmitri Shostakovich and many others revealing how they pursued their art under Stalin's regime and often at great personal risk It was a world in which the poet Vladimir Mayakovsky whose bright yellow tunic was considered a threat to public order under the tsars struggled to make the communist authorities see the value of avant garde art Babel publicly thanked the regime for allowing him the privilege of not writing and Shostakovich's career veered wildly between public disgrace and wealth and acclaim In the tradition of Eileen Simpson's *Poets in Their Youth* and Phyllis Rose's *Parallel Lives*

Fear and the Muse Kept Watch is an extraordinary work of historical recovery It is also a bold exploration of the triumph of art during terrible times and a book that will stay with its readers for a long long while *Nobel Prize Laureates in Literature* Thomson Gale (Firm),2007 A biographical bibliographical guide to the writers who have received the Nobel Prize in Literature Provides entries for each Nobel Prize laureate Entries also include the Nobel Prize in Literature presentation speech for the corresponding year and the banquet speech given by the Nobel Prize laureate The University of Virginia Record University of Virginia,1971 **Bibliographic Guide to Slavic, Baltic, and Eurasian Studies** ,2000 Stalin Edvard Radzinsky,2011-05-18 From the author of *The Last Tsar* the first full scale life of Stalin to have what no previous biography has fully obtained the facts Granted privileged access to Russia s secret archives Edvard Radzinsky paints a picture of the Soviet strongman as more calculating ruthless and blood crazed than has ever been described or imagined Stalin was a man for whom power was all terror a useful weapon and deceit a constant companion As Radzinsky narrates the high drama of Stalin s epic quest for domination first within the Communist Party then over the Soviet Union and the world he uncovers the startling truth about this most enigmatic of historical figures Only now in the post Soviet era can what was suppressed be told Stalin s long denied involvement with terrorism as a young revolutionary the crucial importance of his misunderstood behind the scenes role during the October Revolution his often hostile relationship with Lenin the details of his organization of terror culminating in the infamous show trials of the 1930s his secret dealings with Hitler and how they backfired and the horrifying plans he was making before his death to send the Soviet Union s Jews to concentration camps tantamount to a potential second Holocaust Radzinsky also takes an intimate look at Stalin s private life marked by his turbulent relationship with his wife Nadezhda and recreates the circumstances that led to her suicide As he did in *The Last Tsar* Radzinsky thrillingly brings the past to life The Kremlin intrigues the ceaseless round of double dealing and back stabbing the private worlds of the Soviet Empire s ruling class all become in Radzinsky s hands as gripping and powerful as the great Russian sagas And the riddle of that most cold blooded of leaders a man for whom nothing was sacred in his pursuit of absolute might and perhaps the greatest mass murderer in Western history is solved University of Michigan Official Publication University of Michigan,1974 Each number is the catalogue of a specific school or college of the University A Comparative Analysis of Political and Media Discourses about Russia's Invasion of Ukraine Anton Oleinik,2024-03-19 This book explores the discursive dimension of Russia s invasion of Ukraine It analyzes how political leaders mass media social media and ordinary people in Ukraine Russia the United States the United Kingdom and France discuss the war War propaganda and counterpropaganda structure discourses about the invasion strengthening post truth conditions The book highlights the consequences of the growing distrust in the institutional truth teller mass media Russia s invasion of Ukraine is the first social media war Social media became the principal source of information about the invasion The rise of digital media did not change the tendency of the discourses about war to be territorially segregated according to national

boundaries Nationalization of discourses about war continues to prevail over their globalization The corpora containing more than 180 million words in four languages inform the analysis The data was collected during the first year and a half of Russia's war in Ukraine

Russia Robert Service, 2003 The first history of modern Russia from 1991 to the present day by one of the leading historians of the 20th century USSR and Russia In 1991 in a huge experiment with a people and in a state of euphoria Boris Yeltsin abolished the USSR and recreated the Russian nation At the point of its declaration it was in a state of economic and social disarray and yet there were high hopes Hopes which have subsequently been dashed Robert Service brings to bear his vast knowledge of the people and the country to put the recent upheavals into context and he shows that not everything changed for the worst 1991 The Gorbachev years have allowed the Russian people to give a priority to living a private life and shutting the door on the state They could think what they liked They could enjoy intellectual and religious freedom and indulge in recreations their income would allow Gays and Lesbians could come out The Youth culture could finally be loosed from constraints This is a broad political social and cultural history of one of the newest nations ever to be formed

Is Comrade Bulgakov Dead? Анатолий М. Смелянский, 1993 A portrait of the writer Mikhail Bulgakov fighting for his work and his life in a society riven with fear of Stalin's tyranny Mikhail Bulgakov was born in Kiev in 1891 He started as a career writing articles and satiric short stories about the revolution and the economic reconstruction in the young Soviet state He drew on these writings in many of his stage plays which brought him into conflict with the authorities He died in 1940

Studies in Contemporary Journalism and Communication in Russia's Provinces Greg Simons, Anna Sumskaya, 2022-04-19 This book examines the contemporary communicational practices of journalists and media outlets and the consumption and reception patterns of audiences in Russia's provinces with an emphasis on the intergenerational transmission of culture and memory Investigating the interaction and issues of contemporary identity culture audiences and journalism in a rapidly changing and evolving Russia this volume goes beyond the large metropolitan centres into the provincial regions of Russia to develop a more comprehensive overview Despite a popular image that is often projected of Russia as a homogeneous often threatening entity its regions are very far from being uniform with diverse varied geographies ethnicities religions cultures resources and economic infrastructure The perspectives offered by a range of scholars and practitioners explore the generational political and regional diversities that exist across this vast country and analyse local and regional media Covering topics not often discussed this volume offers an important contribution for everyone interested in Russian politics culture journalism and history and the study of local and regional communication studies

The Cambridge Companion to Vygotsky Harry Daniels, Michael Cole, James V. Wertsch, 2007-04-30 A comprehensive text providing a critical perspective on Vygotsky and his work

Modern Slavic Literatures Vasa D. Mihailovich, 1972

Reference Guide to Russian Literature Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore

confidently recommended for addition to reference libraries be they academic or public

Modern Slavic Literatures: Bulgarian, Czechoslovak, Polish, Ukrainian, and Yugoslav literatures Vasa D. Mihailovich, 1972

The Palgrave Handbook of Russian Thought Marina F. Bykova, Michael N. Forster, Lina Steiner, 2021-05-22 This volume is a comprehensive Handbook of Russian thought that provides an in depth survey of major figures currents and developments in Russian intellectual history spanning the period from the late eighteenth century to the late twentieth century Written by a group of distinguished scholars as well as some younger ones from Russia Europe the United States and Canada this Handbook reconstructs a vibrant picture of the intellectual and cultural life in Russia and the Soviet Union during the most buoyant period in the country s history Contrary to the widespread view of Russian modernity as a product of intellectual borrowing and imitation the essays collected in this volume reveal the creative spirit of Russian thought which produced a range of original philosophical and social ideas as well as great literature art and criticism While rejecting reductive interpretations the Handbook employs a unifying approach to its subject matter presenting Russian thought in the context of the country s changing historical landscape This Handbook will open up a new intellectual world to many readers and provide a secure base for its further exploration

Corpus Linguistics for Translation and Contrastive Studies Mikhail Mikhailov, Robert Cooper, 2016-05-20 Corpus Linguistics for Translation and Contrastive Studies provides a clear and practical introduction to using corpora in these fields Giving special attention to parallel corpora which are collections of texts in two or more languages and demonstrating the potential benefits for multilingual corpus linguistics research to both translators and researchers this book explores the different types of parallel corpora available and shows how to use basic and advanced search procedures to analyse them explains how to compile a parallel corpus and discusses their uses for translation purposes and to research linguistic phenomena across languages demonstrates the use of corpus extracts across a wide range of texts including dictionaries novels by authors including Jane Austen and Mikhail Bulgakov and newspapers such as The Sunday Times is illustrated with case studies from a range of languages including Finnish Russian English and French Written by two experienced researchers and practitioners Corpus Linguistics for Translation and Contrastive Studies is essential reading for postgraduate students and researchers working within the area of translation and contrastive studies
