Charlie Kaufman, Donald Kaufman, Robert McKee, 2002 One of the most talked about scripts of the year Adaptation is the story of an orchid collector Chris Cooper a journalist Meryl Streep as author Susan Orlean and the screenwriter Charlie Kaufman played by Nicolas Cage who in adapting Orlean s bestselling book The Orchid Thief writes himself and his twin brother also played by Cage into the movie In the foreword written exclusively for this Newmarket edition Orlean reveals her own struggle to tell the story of the orchid and her delight that strangely marvelously hilariously Kaufman s screenplay has ended up not being a literal Adaptation of my book but a spiritual one In a fascinating interview Kaufman and Jonze take readers behind the scenes of Adaptation and their other films to speak about how they collaborate where truth and fiction diverge the challenges of balancing various storylines why they do not like to comment on the meaning of their work and Kaufman s approach to writing I try to write in the midst of confusion and be strong enough to stay there rather than swim to the shore of some kind of conclusion Finally screenwriting guru Robert McKee s commentary attempts to analyze Kaufman s work identifying many of his themes including that grand twentieth century preoccupation with the Self In the acclaimed
