Jones,2003-02 Got God Everybody searches for the divine But so many of us keep seeking our Higher Power in inappropriate places like drugs alcohol sex money power even other people Looking for God in All the Wrong Places is a spiritual field guide that uses humor insight and experience to examine the people places and things we often mistake for our Higher Power By revealing the detours pitfalls and roadblocks along the path to union with the divine this enlightening and entertaining book provides a powerful navigational tool spiritual seekers can use to avoid looking in the wrong places and get to where God can truly be found      **Seeking & Finding God (B)** Dave Hunt,2021-04-02 It is astonishing how many millions of otherwise seemingly intelligent people are willing to risk their eternal destiny upon less evidence than they would require for buying a car or even a low carb food item yet the belief of so many particularly in the area of religion has no rational or factual foundation With well researched arguments and compelling proof this book demonstrates that the issue of where one will spend eternity is not a matter of preference like joining the Elks instead of the Lions In fact there is overwhelming evidence that we are eternal beings who will spend eternity somewhere But where will it be And how can we know There is no more important question to be faced and answered      Looking for God Nancy Ortberg,2014-10-03 We get so prescriptive with the spiritual life We prepackage it duplicate it mass produce it insist upon it and brag about it We make it a formula As a result we tend to see God from such a narrow perspective We box God up and compartmentalize Him into thirty minutes each morning But in reality He is waiting

for us to realize that He invades all the parts of our days if only we would pay attention In Looking for God Nancy Ortberg will inspire you to break away from the bland formulaic approach to Christianity and embrace the often unexpected at times unnerving but always extraordinary power of God s grace As you journey with Nancy you ll find God in places you have never dreamed of looking and you ll experience faith on a deeper level than you have ever imagined possible Seeking Truth, Finding God Sally Pitts,2016-06-01 Many people search for purpose meaning and happiness in their lives but how many of them search for truth Discover how this author found God through her compelling spiritual and intellectual journey Reignite your curiosity about the Divine and pinpoint what you actually believe not just what you don t believe The author addresses frequently objections to belief in God and Jesus and she wrestled with common questions including How did our world begin and What can we know about God Face your fears and doubts about God with authenticity after reading this book
