The Raiders and Writers of Cervantes' Archive Paul Kong, 2016-12-05 Within the context of Miguel de Cervantes Saavedra and his influence on Jorge Luis Borges, Manuel Puig, and Gabriel Marquez, Paul Kong brings a variety of theoretical perspectives to bear as he analyzes the concepts of the archive and the manuscript. Setting the stage with an exploration of the intricate and intriguing relationship between the archive and the manuscript, Kong questions the apparently natural association between the two. In the light of Kong's historically contextualized and patient exegesis, the ideological nature of the archive, evident in its charge to serve as a totalizing habitat, stands in contrast with the manuscript that resists attempts to contain it. The playful responses of Borges, Puig, and Marquez as they mine the archive of Cervantes' works support the anti-colonial dimension of Latin American literature and further problematize the relationship between archive and manuscript. The book concludes with a discussion of the future of archival discourse, especially in the setting of the virtual reality of the Internet and of globalization. Carefully grounded by Kong's close readings and supported by a wealth of astute references and allusions to writers as diverse as Virgil, Wordsworth, and Dickens, *The Raiders and Writers of Cervantes' Archive* is sure to provoke and intrigue Latin American scholars, narrative theorists, archivists, and those interested in issues related to cultural domination, ideology, and cyberspace. **Murder Unincorporated** Joan Cunningham, 2018-08-31 When Al asks his favorite niece to become the interim manager of his restaurant, *Unincorporated*, she hesitantly agrees. Struggling in her new role, Ashley is confronted with an antagonistic chef, a gruesome murder, and personal threats, all testing her attitude and self-confidence. A demanding role in a community fundraiser, a damaging storm, and lack of strong local

friendships put Ashley's life in a state of turmoil. The homicide investigation continues to lead authorities to Unincorporated to its employees and to Ashley. Temptation to bail on her commitment grows by the day but devotion to her Uncle Al is a determining factor. Finding the strength to remain in her position she vows to take on whatever challenges get thrown at her. As she becomes increasingly embroiled in the unpleasantness Ashley becomes convinced that her insights and intuition can solve the crime putting the whole unpleasant episode to rest.
