History and Theory in Anthropology Alan Barnard,2000-06-15 Anthropology is a discipline very conscious of its history and Alan Barnard has written a clear balanced and judicious textbook that surveys the historical contexts of the great debates and traces the genealogies of theories and schools of thought It also considers the problems involved in assessing these theories The book covers the precursors of anthropology evolutionism in all its guises diffusionism and culture area theories functionalism and structural functionalism action centred theories processual and Marxist perspectives the many faces of relativism structuralism and post structuralism and recent interpretive and postmodernist viewpoints **Classical Readings on Culture and Civilization** Stephen Mennell,2017-10-03 In recent times especially under the influence of postmodernism culture has often been construed as a critique of modernity This wide ranging and comprehensive collection of readings shows that such issues have always been at the centre of thought about the relationship between culture and civilization The readings are divided into three sections linking the civilization debate to political theory to the cultural debate and to the sociology and anthropology The substantial extracts included give students a rare chance to engage at length with classic texts to appreciate the nature of the battle between the Enlightenment and its critics which has shaped current thought Classical Readings on Culture and Civilisation presents essays from Immanuel Kant Adam Ferguson Thomas Jefferson Alexis de Tocqueville Friedrich von Schiller Friedrich Nietzsche Georg Simmel Thomas Mann Sigmund Freud Emile

Durkheim Marcel Mauss Lucien Febvre Alfred Weber Robert E Park and Norbert Elias *Emancipation and History* José Maurício Domingues, 2017-09-04 Assessing critical theory today Jos Maur cio Domingues *Emancipation and History* focuses on the connection between history and emancipation centering on the trends that structure modernity and may lead us beyond it Classical and contemporary sociology and social theory are mobilized to recover a robust theory capable of going beyond recurrent empirical and therefore weaker perspectives in emancipatory thought Collective subjectivity and social creativity history and sociology analytical concepts and trend concepts social existential questions the role of equal freedom and of immanent critique secularization capitalism the modern state populism the family and the meaning of citizenship Marx Weber Bhaskar Habermas Laclau Sousa Santos and Negri are topics and authors that stand out in the book *Die Wende Von Der Aufklärung Zur Romantik 1760-1820* Horst Albert Glaser, György Mihály Vajda, 2000 This volume is the twelfth to date in a series of works in French or English presenting the epochs and movements of a Comparative History of Literatures in European Languages Histoire Compar e des Litt ratures de Langues Europ ennes The original intention of the editors was to publish a four volume history of European literature from 1760 1820 and the first of these volumes Des Lumi res au Romantisme Genres en Vers appeared as long ago as 1982 The volumes Genres en Prose and Th tre are still awaited In their absence the present volume Epoche im _berblick attempts a more comprehensive and rigorous treatment of the period and its historiographical problems than was initially planned providing the reader with an overview of sixty eventful years of European literary history years in which German Classicism coincided with the birth initially in Germany and England of Romanticism And at the centre of this turbulent period of European intellectual and literary history stands the French Revolution [A Short History of Global Evangelicalism](#) Mark Hutchinson, John Wolffe, 2012-04-30 This book offers an authoritative overview of the history of evangelicalism as a global movement from its origins in Europe and North America in the first half of the eighteenth century to its present day dynamic growth in Africa Asia Latin America and Oceania Starting with a definition of the movement within the context of the history of Protestantism it follows the history of evangelicalism from its early North Atlantic revivals to the great expansion in the Victorian era through to its fracturing and reorientation in response to the stresses of modernity and total war in the late nineteenth and early twentieth centuries It describes the movement s indigenization and expansion toward becoming a multicentered and diverse movement at home in the non Western world that nevertheless retains continuity with its historic roots The book concludes with an analysis of contemporary worldwide evangelicalism s current trajectory and the movement s adaptability to changing historical and geographical circumstances **A Short History of Ethics and Economics** J. E. Alvey, 2011 This is an important and timely work that addresses the moral crisis of contemporary economics Alvey not only provides an excellent narrative of classical Greek economics but his arguments are aimed at restoring the central role that ethics played in the long tradition of economic thought This is an invaluable scholarly resource for academics and students of political economy as well as the

history of political thought Benjamin Wong Nanyang Technological University Singapore Arising from a disenchantment with mainstream economics a dissatisfaction that is widespread today A Short History of Economics and Ethics sketches the emergence and decline of the ethical tradition of economics and the crisis of modern economics In doing so James Alvey focuses on four of the leading ancient Greek thinkers Socrates Xenophon Plato and Aristotle The author uses insights from Amartya Sen s Capabilities approach as well as other sources to retrieve the ethical tradition of economics Five aspects of this tradition which seem to lie outside of mainstream economics are identified an ethical methodology some notion of a just price an understanding that ethical motivations are relevant to human action a rich understanding of human well being and some notion of distributive justice related to human well being Creating a forum for further debate and research opportunity this book will appeal to students scholars and historians of economic thought as well as to all those interested in the intersection of ethics with economics

Spatial Social Thought Michael Kuhn, 2014-04-15 This volume presents perspectives on spatially construed knowledge systems and their struggle to interrelate Western social sciences tend to be wrapped up in very specific exclusionary discourses and Northern and Southern knowledge systems are sidelined Spatial Social Thought reimagines the social sciences as a place of encounter between all spatially bound parochial knowledge systems
