Short-Selling with the O'Neil Disciples Gil Morales, Chris Kacher, 2015-04-27 Leave the old paradigm behind and start safeguarding your portfolio *Short Selling with the O'Neil Disciples* is a guide to optimizing investment performance by employing the unique strategies put forth by William O'Neil The authors traded these strategies with real money then refined them to reflect changing markets and conditions to arrive at a globally relevant short selling strategy that helps investors realize maximum profit Readers will learn how short selling recognizes the life cycle paradigm arising from an economic system that thrives on creative destruction and has been mischaracterized as an evil enterprise when it is simply a single component in smart investing and money management This informative guide describes the crucial methods that preserve gains and offset declines in other stocks that make up a portfolio with more of an intermediate to long term investment horizon and how to profit outright when markets begin to decline Short selling is the act of identifying a change of trend in a

stock from up to down and seeking to profit from that change by riding the stock to the downside by selling the stock while not actually owning it with the idea of buying the stock back later at a lower price This book describes the methods that make short selling work in today s markets with expert advice for optimal practice Learn the six basic rules of short selling Find opportunities on both the long and short sides of stocks Practice refined methods that make short selling smarter Examine case studies that profitably embody these practices Investors able to climb out of the pessimistic conspiratorial frame of mind that fixates on the negative will find that short selling can serve as a practical safeguard that will protect the rest of their portfolio With clear guidance toward the techniques relevant in today s markets Short Selling with the O Neil Disciples is an essential read

treatment of Hurst's original system of market cycle analysis. It will teach you how to get to the point where you can isolate cycles in any freely traded financial instrument and make an assessment of their likely future course. Although Hurst's methodology can seem outwardly complex, the logic underpinning it is straightforward. With practice, the skill needed to conduct a full cycle analysis quickly and effectively will become second nature. The rewards for becoming adept are high: conviction trades, tight risk management, and mastery of a largely non-correlated system of analysis. In this extensive step-by-step guide, you will find a full description of the principal tools and techniques taught by Hurst, as well as over 120 colour charts together with tables and diagrams. The Updata and TradeStation code for all of the indicators shown is also included.

The Great Reflation J. Anthony Boeckh, 2010-04-23 A guide to understanding and thriving in today's new economic environment. Now that the housing and credit bubbles have burst, toppling banks and sending shockwaves through the stock market and around the world, it may seem like the worst has passed. But the full impact of the crises we have recently faced will create far more problems, and unless you're prepared, you'll struggle to regain your financial footing. In *The Great Reflation*, author Tony Boeckh helps you understand how these crises and the policies passed to jumpstart the economy will play out for investments and business, and provides you with the tools to excel in today's rapidly evolving financial landscape. He reveals how similar episodes compare with the current crises and what this could mean for your financial future. Arms you with practical insights that will allow you to evaluate different investment options. Explores the implications of the end of the private debt cycle, the possible rise of a new age of thrift, and the new government debt crisis. Reveals how you can profit from once-in-a-lifetime opportunities as well as proper portfolio allocation strategies. While things may never return to normal, you can still make choices that will allow you to prosper. This book will show you how.

[Sell With Story, Not Scripts: Personal Truth That Outperforms Persuasion Tricks](#) Onyeka Godfrey, 2025-08-05 Forget the perfect script. Tell the right story. This book helps you stop sounding like everyone else and start using personal truth as your most persuasive tool. You'll learn how to craft narratives that build trust, deepen emotional connection, and illustrate the transformation your offer delivers without sounding rehearsed or fake. Whether you're writing sales emails, landing pages, or live pitches, you'll discover how to use storytelling to explain your offer without selling it. Because when your story resonates, the sale often happens before the pitch ends.
