A vivid and deeply well informed account of London's history Charles Saumarez Smith Professor of Cultural History Queen Mary University of London Extremely informative and witty Roy Porter author of London A Social History on Landlords to London A short invigorating gallop over two and a half thousand years Scotsman on A Short History of Europe *The Peculiar Case of the Electric Constable* Carol Baxter, 2013-09-01 John Tawell was a sincere Quaker but a sinning one Convicted of forgery he was transported to Sydney where he opened Australia's first retail pharmacy and made a fortune When he returned home to England after fifteen years he thought he would be welcomed instead he was shunned Then on New Year's Day 1845 Tawell boarded the 7 42 pm train to London Paddington Soon men arrived chasing a suspected murderer but the 7 42 had departed The Great Western Railway was experimenting with a new fangled device the electric telegraph so a message was sent a KWAKER man was on the run The trail became a sensation involving no apparent weapon much innuendo and a pious man desperate to save his reputation and would usher in the modern communication age Told

Rosenwein,2023-01-31 In this new edition of A Short History of the Middle Ages Barbara H Rosenwein offers a panoramic view of the medieval world Volume I ranges from northeastern North America to Kievan Rus while never losing sight of the main contours of the period c 300 to c 1150 The lively and informative narrative covers the major developments political and religious movements people saints and sinners economic and cultural changes ideals fears and fantasies of the period in Europe Byzantium and the Islamic world A comprehensive new map program updated for the global reach of this edition offers a way to visualize the era s enormous political economic and religious changes Line drawings make clear archaeological finds and architectural structures All of the maps genealogies and figures in the book as well as practice questions and suggested answers are available at utphistorymatters.com *A Caring County?* Steven King,Gillian Gear,2013-11-01 This comparative study gathers together new research by local historians into aspects of welfare in Hertfordshire spanning four centuries and focusing on towns and villages across the county including Ashwell Cheshunt Hertford Pirton and Royston amongst many others In so doing it makes a valuable contribution to the current debate about the spatial and chronological variation in the character of welfare regimes within single counties let alone more widely As well as viewing poor relief geographically and chronologically the book also considers the treatment of particular groups such as the aged the mad children and the unemployed and shows how within the constraints of the relevant welfare laws each group was dealt with differently giving a more nuanced picture than has perhaps been the case before The

overarching question that the book attempts to answer is how effectively Hertfordshire cared for those in need With chapters on madhouses workhouses certified industrial schools the Foundling Hospital pensions and medical care the book covers a very broad range of topics through which a complex picture emerges While some officials seem to have been driven by a relatively narrow sense of their obligations to the poor and vulnerable others appear to have tailored welfare packages to their precise needs Naturally self interest played a part if the weakest citizens were well managed vagrancy might be lessened the spread of disease contained and control maintained over the cost of looking after the poor and sick It seems that Hertfordshire was relatively nimble and sensitive in discovering and treating its people s needs Evidence is beginning to emerge in other words that Hertfordshire was in essence a caring county The Lore of the Land Jennifer Westwood, Jacqueline Simpson, 2006 Where can you find the Devil s footprints What happened at the hangman s stone Did Sweeney Todd the demon barber of Fleet Street ever really exist Where was King Arthur laid to rest Bringing together tales of hauntings highwaymen family curses and lovers leaps this magnificent guide will take you on a magical journey through England s legendary past A Short History of the Middle Ages, Volume II Barbara H.
