The Hilarious Pig James E. Berlin, 2017-07-17 After college and active marine corps duty the author began his journalism career as a reporter and popular humor columnist for a Michigan newspaper At age twenty four he became the youngest nationally syndicated columnist in US history Eleven years later he followed his heart and became a street cop in one of Americas largest cities The stories here true firsthand accounts drawn from his life behind the badge offer an uncensored glimpse into the hearts and minds of the thin blue line If you seek the politically correct look elsewhere This book was written under fire between shifts and on weekends while the author was still a working street cop His experiences range from outrageously funny to deeply moving but all are as they occurred And all are wonderfully entertaining *Tracking T.J.* John Sandifer, 2010-12-15 An old wood carved print in a dusty book and an inherited double barreled shotgun sets a former investigative reporter to wondering about the story behind them What he found was a Mississippi boy whose grandfather had fought a bear with a knife was wiped out by a hurricane and whose father fought in the Civil War with five of his six sons including himself T J Sandifer was the product of the migrations of southern farmers and their trials and tribulations influenced by weather terrain economy issues of state s rights slavery and war His was an ordinary family in extraordinary times reflective of thousands of other early Americans who contributed to the making of a nation His name was Thomas Jefferson Sandifer but everybody just called him Tee Jay
