

A large, dark wooden wagon wheel stands upright in a field of tall grass. The wheel is silhouetted against a sky transitioning from a warm orange glow at the horizon to a deep blue at the top. In the background, there are silhouettes of trees and distant mountains. The overall mood is nostalgic and serene.

Long Old Road An Autobiography:

Long Old Road Horace Cayton, 2017-07-05 From the time that he ran away to sea at sixteen until he graduated from the University of Washington Horace R Cayton was a messman on a freighter an unknowing handyman in an Alaskan brothel a juvenile delinquent and inmate of a reform school a dock worker and steward on a passenger liner and a deputy in the sheriff's office of King County Washington Born in Seattle a city then uniquely free from racial tensions and prejudices Cayton found the privileged secure middle class position of his well to do parents ineffectual against the gradual spread of racism that was sweeping America His disarmingly honest autobiography is the ever absorbing record of an intelligent sensitive and proud man's attempts to find identity in a confusing and conflicting chaos of black and white in a nation that although dedicated to equality somehow managed to deny this ideal by almost every action Although his turbulent life was complicated by the color barrier often resulting in reverses and frustrations that have rendered him close to a breakdown this alone is not what makes Cayton's book such captivating reading Wholly lacking in self pity or special pleading Horace Cayton has written a personal narrative of unfailing interest on any number of scores a book that ranks with the best of American autobiographical writing For it manages to remain highly critical without once resorting to bitterness to be filled with hope though not always hopeful and brims with compassion and bemused and acute insights into a troubled society It is a telling almost poetic tribute to the resiliency of black culture

Ghetto Mitchell Duneier, 2016-04-19 A stunningly detailed and timely account of the idea of the ghetto from its origins in sixteenth century Venice and its revival by the Nazis to the present Khalil Gibran Muhammad The New York Times Book Review In *Ghetto* Mitchell Duneier shows how the entanglements of race poverty and place in America are connected to the ghettos of Europe He traces the evolution of the ghetto as both concept and reality through the stories of scholars and activists who attempted to understand the problems of American cities Using new and forgotten sources Duneier introduces Horace Cayton and St Clair Drake graduate students whose conception of the South Side of Chicago established a new paradigm for thinking about Northern racism and poverty in the 1940s He also discusses the psychological links between slum conditions and black powerlessness the controversy over Daniel Patrick Moynihan's report on the black family and how the debate about urban America changed as middle class African Americans started escaping the ghettos In this sweeping and incisive study Duneier offers a clear eyed assessment of the thinkers and doers who have shaped American ideas about urban poverty and the ghetto The result is a valuable new estimation of an age old concept A New York Times Notable Book Winner of the Z calo Public Square Book Prize

Seattle's Women Teachers of the Interwar Years Doris Hinson Pieroth, 2012 In *Seattle's Women Teachers of the Interwar Years* Doris Pieroth describes the contributions of a remarkable group of women who dominated the Seattle public school system in the early years of the twentieth century and helped to produce well educated citizens who were responsible for the widespread philanthropic volunteer and municipal activities that came to characterize the city While most publications on the history of education have

emphasized theory or administration Pieroth focuses on individual teachers Set against the backdrop of a developing city the book provides vivid portraits of educated strong ambitious women making successful careers at a time when job opportunities for women were very limited Pieroth interviewed as many of these women as she could find and quotes from the interviews enhance her lively well written narrative Using details drawn from local newspapers and school publications she demonstrates that the influence of this cohort of women made modern Seattle the livable place that it remains today Seattle s Women Teachers of the Interwar Years is a significant contribution to the history of Seattle and the region to women s history and to the history of education

Aristocrats of Color Willard B. Gatewood,2000-05-01 Every American city had a small self aware and active black elite who felt it was their duty to set the standard for the less fortunate members of their race and to lead their communities by example Professor Gatewood s study examines this class of African Americans by looking at the genealogies and occupations of specific families and individuals throughout the United States and their roles in their various communities from publisher description **The Souls of Black Folk** Dolan Hubbard,2007 Published in 1903 The Souls of Black Folk by W E B Du Bois was an immediate achievement More than a hundred years later the influence of Du Bois s critique of the political social and economic encumbrances imposed upon blacks in Reconstruction and post Reconstruction America can still be felt The Souls of Black Folk One Hundred Years Later is the first collection of essays to examine Du Bois s work from a variety of academic perspectives including aesthetics art history communications music political science psychology history and the classics Scholars teachers and students of American studies and African American studies will find this collection an essential overview of a book that changed the course of American intellectual history
