How the Light Gets In Pat Schneider, 2013-04-25 When I begin to write I open myself and wait And when I turn toward an inner spiritual awareness I open myself and wait With that insight Pat Schneider invites readers to contemplate their lives and deepest questions through writing In seventeen concise thematic chapters that include meditations on topics such as fear freedom tradition in writing and in religions forgiveness joy social justice and death **How the Light Gets In** gracefully guides readers through the artistic and spiritual questions that life offers to everyone Praised as a fuse lighter by author Julia Cameron and the wisest teacher of writing I know by the celebrated writing guru Peter Elbow Pat Schneider has lived a life of writing and teaching passion and compassion With **How the Light Gets In** she delves beyond the typical how to s of writing to offer an extended rumination on two inner paths and how they can run as one Schneider s book is distinct from the many others in the popular spirituality and creative writing genre by virtue of its approach using one s lived experience including the experience of writing as a springboard for expressing the often ineffable events that define everyday life Her belief that writing about one s own life leads to greater consciousness satisfaction and wisdom energizes the book and carries the reader elegantly through difficult topics As Schneider writes All of us live in relation to mystery and becoming conscious of that relationship can be a beginning point for a spiritual practice whether we experience mystery in nature in ecstatic love in the eyes of our children our friends the animals we love or in more strange experiences of intuition synchronicity or prescience *Books in Print* ,1991 Writing Alone and with Others Pat Schneider, 2003 For more than a quarter of a century Pat Schneider has helped writers find and liberate their true voices Now Schneider s acclaimed methods are made available in a single well organized and highly readable volume *Sipapu* ,1995 **Family Reunion** Sondra Zeidenstein, 2003 Poetry For anyone who has grown children or for anyone who is a grown child or on the way to being one FAMILY REUNION captures the frustrations anxieties perplexities heartaches and yes the pride and joy and tenderness that go inevitably both ways These poems are a poignant record of how we age eye to eye Alicia Ostriker Includes poems by Maxine Kumin Hayden Carruth Marie Ponsot Raymond Carver Robert Creeley and Carolyn Kizer among others
