The History of the Civil War Charles River Editors, 2025-05-02 Americans have long been fascinated by the Civil War marveling at the size of the battles the leadership of the generals and the courage of the soldiers Since the war's start over 150 years ago the battles have been subjected to endless debate among historians and the generals themselves The Civil War was the deadliest conflict in American history and had the two sides realized it would take 4 years and inflict over a million casualties it might not have been fought Since it did however historians and history buffs alike have been studying and analyzing the biggest battles ever since The secession of the South was one of the seminal events in American history but it also remains one of the most controversial The election of Abraham Lincoln was the impetus for secession but that was merely one of many events that led up to the formation of the Confederacy and the start of the Civil War On December 20 a little more than a month after Lincoln had been elected the 16th president a convention met in Charleston and passed the first ordinance of secession by one of the United States declaring We the people of the State of South Carolina in convention assembled do declare and ordain that the Union now subsisting between South Carolina and other States under the name of the United States of America is hereby dissolved In January 1861 Mississippi Florida Alabama Georgia Louisiana and Kansas followed South Carolina's lead and the Confederate States of America was formed on February 4 in Montgomery Alabama with former Secretary of War Jefferson Davis inaugurated as its President A few weeks later Texas joined The Confederacy's hope of being let go in peace ended at 4:30 a.m. on the morning of April 12 1861 when Confederate Brigadier General P. G. T. Beauregard ordered the first shots to be fired at the federal garrison defending Fort Sumter in the Charleston Harbor effectively igniting the Civil War For nearly 36 hours Beauregard's Confederates unleashed a general bombardment from 43

guns and mortars positioned at various points across the Harbor Unable to effectively reply or defend themselves Major Robert Anderson raised the white flag early in the afternoon of April 13 bringing the first battle of the Civil War to a close No casualties were suffered on either side during the dueling bombardments across Charleston Harbor but ironically two U S Army soldiers were killed by an accidental explosion during the surrender ceremonies After Fort Sumter the Lincoln Administration pushed for a quick invasion of Virginia with the intent of defeating Confederate forces and marching toward the Confederate capitol of Richmond Lincoln pressed Irvin McDowell to push forward Despite the fact that McDowell knew his troops were inexperienced and unready pressure from the Washington politicians forced him to launch a premature offensive against Confederate forces in Northern Virginia *Almanac of American Military History* Spencer C.

The Civil War in 1862 Charles River Editors, 2025-05-02 After Union General Ulysses S Grant captured Fort Henry and Fort Donelson in early 1862 Confederate General Albert Sidney Johnston widely considered the Confederacy's best general concentrated his forces in northern Georgia and prepared for a major offensive that culminated with the biggest battle of the war to that point the Battle of Shiloh On the morning of April 6 Johnston directed an all out attack on Grant's army around Shiloh Church and though Grant's men had been encamped there they had failed to create defensive fortifications or earthworks They were also badly caught by surprise With nearly 45 000 Confederates attacking Johnston's army began to steadily push Grant's men back toward the river As fate would have it the Confederates may have been undone by friendly fire at Shiloh Johnston advanced out ahead of his men on horseback while directing a charge near a peach orchard when he was hit in the lower leg by a bullet that historians now widely believe was fired by his own men Nobody thought the wound was serious including Johnston who continued to aggressively lead his men and even sent his personal physician to treat wounded Union soldiers taken captive But the bullet had clipped an artery and shortly after being wounded Johnston began to feel faint in the saddle With blood filling up his boot Johnston unwittingly bled to death The delay caused by his death and the transfer of command to subordinate P G T Beauregard bought the Union defenders critical time on April 6 and the following day Grant's reinforced army struck back and pushed the Confederate army off the field The Battle of Shiloh lasted two days but the battle over the battle had just begun Grant's army had just won the biggest battle in the history of North America with nearly 24 000 combined casualties among the Union and Confederate forces Usually the winner of a major battle is hailed as a hero but Grant was hardly a winner at Shiloh The Battle of Shiloh took place before costlier battles at places like Antietam and Gettysburg so the extent of the casualties at Shiloh shocked the nation Moreover at Shiloh the casualties were viewed as needless Grant was pilloried for allowing the Confederates to take his forces by surprise as well as the failure to build defensive earthworks and fortifications which nearly resulted in a rout of his army Speculation again arose that Grant had a drinking problem and some even assumed he was drunk during the battle Though the Union won it was largely viewed that their success owed to the heroics of General Sherman in rallying the men and Don Carlos Buell arriving with his army and General Buell was happy to receive the credit at Grant's expense As a result of the Battle of Shiloh Grant was demoted to second in command of all armies in his department an utterly powerless position And when word of what many considered a colossal blunder reached Washington several congressmen insisted that Lincoln replace Grant in the

field Lincoln famously defended Grant telling critics I can't spare this man He fights The Civil War in 1862 explains the campaign and events that led up to the decisive battle what went right and wrong on both sides and the aftermath of the battle Accounts of the battle by important leaders like Sherman Grant and Braxton Bragg are included along with analysis of the generals and fighting Along with maps of the battle and pictures of important people places and events you will learn about the Battle of Shiloh like you never have before
