Longing For Spring

Ernest Pascal

Longing For Spring:

Pathways of Song, Volume 1 (High Voice) Frank LaForge, Will Earhart, 1999-11-29 The Pathways of Song series offers concert songs in easy vocal ranges for the voice student by composers such as Schubert Brahms Handel Bach Mozart Beethoven and Haydn The series includes representative repertoire with English translations and piano accompaniment

The Songs of Edvard Grieg Beryl Foster, 2007 Comprehensive survey of Grieg's 180 songs considering particularly questions and issues of performance Edvard Grieg's 180 songs mirror his artistic and personal development more intimately than any of his other music yet are still the least known part of his output This definitive appraisal now revised and updated discusses every song including those left only in manuscript and sketches at the composer's death set against the background of his life and times It also deals with the poetry set often chosen to reflect his current situation and the poets several of whom including great figures of the day such as Ibsen and Bjornson were his friends and colleagues Grieg frequently bemoaned poor translations and indifferent performances and the various editions and translations from first publication to the present day are also discussed together with his own ideas for interpretation Musical examples and analysis are included to give a closer understanding of Grieg's word setting and harmonic development although their performance is always kept paramount BERYL FOSTER is a graduate of London University and studied singing in Colchester and at the Royal College of Music As well as all the usual repertoire since 1980 she has made a particular study of the songs of Grieg and other Norwegian composers giving recitals lectures and workshops in Britain Norway Germany the Netherlands Italy and China She is also a private teacher and festival adjudicator

Longing for Spring Joel Stein, 1975 The Existential Philosophy of Etty Hillesum Meins G. S. Coetsier, 2014-01-09 In The Existential Philosophy of Etty Hillesum Meins G S Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum's spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum's diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum's path to spiritual freedom

Waiting for Spring Sonya Rhen, 2024-04-29 Returning to belly dance at the annual Kirkland Crocus Parade with the Habibi Nile Dancers Shayna vows to forget her breakup after last year's parade and guard her fragile heart However her best friend is just as determined to find her a new love interest Shayna would rather not think about matters of the heart and just concentrate on entertaining the spectators by dancing with her dignity intact Which is harder than she thought As the parade participants march on through Kirkland's quaint downtown

streets the Easter Bunny her fearless leader her best friend an eye catching drummer and a jelly bean tossing clown might give Shayna a reason to open her heart after all spring is in the air Pathways of Song, Volume 1 - Low Voice Frank LaForge, Will Earhart, 1999-11-29 The Pathways of Song series offers concert songs in easy vocal ranges for the voice student by composers such as Schubert Brahms Handel Bach Mozart Beethoven and Haydn The series includes representative repertoire with English translations and piano accompaniment The Musical Thought and Spiritual Lives of Heinrich Schenker and Arnold Schoenberg Matthew Arndt, 2017-09-11 This book examines the origin content and development of the musical thought of Heinrich Schenker and Arnold Schoenberg One of the premises is that Schenker's and Schoenberg's inner musical lives are inseparable from their inner spiritual lives Curiously Schenker and Schoenberg start out in much the same musical spiritual place yet musically they split while spiritually they grow closer The reception of Schenker's and Schoenberg's work has sidestepped this paradox of commonality and conflict instead choosing to universalize and amplify their conflict Bringing to light a trove of unpublished material Arndt argues that Schenker's and Schoenberg's conflict is a reflection of tensions within their musical and spiritual ideas They share a particular conception of the tone as an ideal sound realized in the spiritual eye of the genius The tensions inherent in this largely psychological and material notion of the tone and this largely metaphysical notion of the genius shape both their musical divergence on the logical technical level in theory and composition including their advocacy of the Ursatz versus twelvetone composition and their spiritual convergence including their embrace of Judaism These findings shed new light on the musical and philosophical worlds of Schenker and Schoenberg and on the profound artistic and spiritual questions with which they grapple **Cynthia Codentry** Ernest Pascal, 1926
