in which race class and gender are completely reimagined yet still subject to an oppressive power dynamic while his erotica asks readers to reconsider the dynamics of power and control but in a more personal even intimate context Similarly in Mosley s nongenre fiction stories are revived through a reconnection with the past a reclaiming of cultural heritage and lineage and a rejection of classist visions of power Finally Mosley s nonfiction which persuades his audience to act through writing humanitarian efforts or social uprising offers a mix of lessons aimed at guiding readers through the same questions that inform his fiction writing
