Look Back To Earth:

NASA Magazine United States. National Aeronautics and Space Administration, 1992 Cracked Earth J.L. Villarreal, 2013-02-14 An earthquake and nuclear meltdown in Japan has forced the world's governments to inoculate earth's population against a new form of radiation being used at the Fukushima nuclear plant in Japan. Those inoculated, the majority of the world's population, had a reaction which turned them into violent primitive humans. With all of the governments gone, a group of survivors must scavenge the abandoned world for supplies and fight off the primitive monsters to keep our civilization and our race from disappearing. With the world's population dwindling, they find out that these primitive beings are not their worst enemies but rather man himself.

Between Heaven and Earth Steve Berger, 2014-03-04 Be Transformed by a Glimpse of Paradise. What will heaven be like? What will we do? Who will we see? How can I become more excited about heaven as my true home? Is it possible that knowing more about heaven will result in greater joy and purpose in my daily life? It's not easy separating fact from fiction when it comes to heaven, nor is it always easy to see how the afterlife can affect our lives today. After a car accident caused his nineteen-year-old son to unexpectedly enter heaven, Pastor Steve Berger chose to reject despair and commit himself to carefully studying his son's new eternal home. He had no idea how much there was to learn, and his life hasn't been the same since. This biblical and deeply personal study of heaven will give you hope for the future. But more than that, it will show you what it means to live today in light of the reality of heaven. If your view of heaven isn't life-changing, it needs to be adjusted. Let Pastor Berger's exploration of eternity fill you with overflowing hope, courage, and purpose. Sometimes we feel stuck, stuck between the hope of heaven and the pain of this world. In *Between Heaven and Earth*, my friend Steve Berger shows us how to not only live in that tension but how and why we should embrace it. Dave Ramsey, New York Times bestselling author and nationally syndicated radio show host, grew up hearing people say, "Some Christians are so heavenly minded they are of no earthly good." Nowadays, it seems like the church has become so earthly minded we're of no heavenly good. In *Between Heaven and Earth*, my friend Pastor Steve Berger shows us the absolute necessity of having a heavenly mind set. Colossians 3:1-2 in order to make a real difference in people's lives while we remain on earth. Embrace the truths of this book, learn how to have your heart in heaven and your hand in the harvest. It's one decision you'll never regret. Jeremy Camp. When my friend Steve Berger talks about heaven, I sit up and listen. I've walked with Steve as he's faced the trials of this life, and I've observed how he has emerged with a deeper faith and love for the Father and the people around him. What he has taught me makes me long for heaven. It also makes me want to spend my time on earth making a difference and finishing well. Michael W. Smith. A beloved pastor and teacher, Steve Berger taught for years on the reality of heaven, even as we serve Christ on earth, never knowing that one tragic event would bring both realities irrevocably into sharp focus in a moment. Some of God's greatest mysteries are wrapped up in tragedy, but the tear-stained wisdom mined in that darkness is a gift to us all. In this marvelous book, heaven will become a greater reality even as we are
