Marylee Smithwick,2009-11-15 When Granny comes to live with the Thaxton s her stories and total truths help her family and friends to unite and grow through laughter and pathos of getting old There is nothing like grandma hands and wisdom Granny said once How are you gonna know where you goin if you don t know something about where you been HISTORY IS AN EVERYDAY OCCURANCE TODAY IS TOMORROW S HISTORY Judi Emm,2005-08-01 Olivia is a young girl from a working class family background she comes from a small countryside village nestled away along with other villages in the Hope Valley area of Derbyshire in England The story follows the events through her life over two decades Beginning in 1967 as she is brought by an ambulance to a hospital in Manchester England when she is losing an aborted baby and she endures an inhumane and horrific experience at the hands of a sadistic doctor Olivia s life then begins to moves forward when she joins a happy Hippy Movement crowd before entering into a controversial marriage to a man many years her senior Then a short time later she experiences with her husband a very traumatic car accident where at the hospital the attending doctor s prognosis predicting that her life will soon be coming to an end But her body soul and willpower insist on fighting for her survival A few years later she enters into a second doomed marriage And in the following years that pass Olivia s life seems to turn into a big ROLLER COASTER RIDE Now always filled with sex drugs and rock roll as she clings to this wild and crazy hedonistic lifestyle for her own emotional security Until many years later when taking an overall view and stock of her life which now seems to becoming so totally out of her control she finally decides that it s time for her to jump off all of these fast

fun filled rides which are taking her to nowhere So after much soul searching about what she does now really want in her life she decides that it is time for a reconciliation with her second husband Alex They decide to go to start a fresh new life when they go to live together in North America leaving all of her past behind her in England So now finally at last Olivia begins to enjoy the much needed love of her husband and family which deep down she had been craving for most of her life Suddenly from somewhere one night out of the blue in the year of 1987 a deep dark hidden force in her life returns turning twenty long lost hidden years into a FULL CIRCLE Motivating her now to visit the world down under in Australia forcing her to now confront and deal with her dark secret hidden past which tragically ends with sad dramatic consequences WHO IS OLIVIA The writer has portrayed in this woman s fiction novel a person that is as far removed from anything in Hollywood as possible She s just an ordinary girl who could be living next door to you or anyone else in the North of England The life of Olivia has been portrayed and written in colourful vivid imaginary and detailed true to life form so that the readers can visualise Olivia as a real true to life person that they could possibly identify with in part While at times understanding and feeling that some of the things that happened in her life could also have possibly happened in their own But no matter what trauma hardship heartache or crisis arrives in Olivia s life she not only challenges it grows from it and flourishes she is also very determined to survive it all whatever life throws her way And the readers will soon realize that no matter how tough Olivia s going gets she will never give up even when she feels that her world is crashing as it begins to crumble down all around her she will keep on striving until she perseveres Yes Olivia is a true survivor and will always manage to keep on swimming until she reaches and gets herself across to the other side of the shore So come on you ladies And make yourselves very comfortable for this controversially absorbing story about the reality of a woman who could be you or one of your friends As Olivia dares u all to take this positively exciting and emotionally charged ROLLER COASTER RIDE with her hoping you can hang on until the end as you deal with what her life has in store as it turns into a FULL CIRCLE

Through a Pane on My Window

Chief Nnamdi A. Ekenna,2016-01-30 A writer bored out of his mind kept staring out of a pane on his window until he was transfixed into an image of a young girl who appeared and beckoned him to follow She retraced her life through the steps in the writers view and leads him through the life she led to her afterlife Her story recounts her tribulations with antiquated customs and traditions of her people that resulted in self exile to the United States with her husband and son In the States her family faced a new kind of affliction after her husband was incarcerated in the federal penitentiary Her life changed drastically thereafter as she decided to build a business to avail her childhood dreams and constitute herself into a philanthropist of sorts and a self acclaimed advocate for the downtrodden In her last mission to her home country in furtherance of her philanthropy and advocacy for women and children and to speak out against moribund traditional beliefs and atrocious cultural practices that included female circumcision she was inadvertently gunned down by armed robbers Even though she left a legacy of selflessness benefaction and hope she still spent her time at the level of consciousness for

rebirth wondering if she did enough and if she ought to return to do some more Her story and the writers take makes an incursion into life and its connection to and with the supernatural and beyond Fiction and reality merges into the creation of a fantastic tale of the worthiness of life and living **The Must-Read Novels for Christmas Time (Illustrated Edition)**
