Looking For A Country Under Its Original Name:

The Man in Song John M. Alexander, 2018-04-16 There have been many books written about Johnny Cash but *The Man in Song* is the first to examine Cash's incredible life through the lens of the songs he wrote and recorded. Music journalist and historian John Alexander has drawn on decades of studying Cash's music and life from his difficult depression era Arkansas childhood through his death in 2003 to tell a life story through songs familiar and obscure. In discovering why Cash wrote a given song or chose to record it, Alexander introduces readers anew to a man whose primary consideration of any song was the difference music makes in people's lives and not whether the song would become a hit. The hits came of course. Johnny Cash sold more than fifty million albums in forty years and he holds the distinction of being the only performer inducted into the Rock and Roll Hall of Fame, the Country Music Hall of Fame, the Songwriters Hall of Fame, and the Gospel Music Hall of Fame. *The Man in Song* connects treasured songs to an incredible life. It explores the intertwined experience and creativity of childhood trauma. It rifles through the discography of a life: Cash's work with the Tennessee Two at Sam Phillips's Sun Studios, the unique concept albums Cash recorded for Columbia Records, the spiritual songs, the albums recorded live at prisons, songs about the love of his life June Carter, Cash's songs about murder and death and addiction, songs about ramblers and even silly songs. Appropriate for both serious country and folk music enthusiasts and those just learning about this musical legend, *The Man in Song* will appeal to a fan base spanning generations. Here is a biography for those who first heard *I Walk the Line* in 1956, a younger generation who discovered Cash through songs like his cover of Trent Reznor's *Hurt* and everyone in between. *Cultivator and Country Gentleman*, 1861 THE CULTIVATOR LUTHER TUCKER AND SON, 1861

Old-Time Music Makers of New York State Simon J. Bronner, 1988-01-01 Ask an old timer what life was like in rural upstate New York during the nineteenth and early twentieth centuries and you will hear about the dances and bees that brought villagers and farmers together. You will hear of favorite fiddlers who held center stage with dance tunes taken from early British and American sources. You will hear of old time music and its significance to a people making the transition from a rural agricultural life to an urban industrial one. *Old Time Music Makers of New York State* is the first book published on this rich legacy of traditional Anglo-American music and dance. It traces the development of old time music beginning with its movement into New York State from New England in the early nineteenth century and to its combination with commercial country music in the twentieth century. Exploring the regional character of the music and its meaning to the people who enjoy it, Bronner introduces memorable figures from the major periods in the development of old time music and he places their stories, their lives, and their music in the context of the region's cultural and historical changes. This is much more than a regional study; however, Bronner brings to the fore issues of national scope and interest. He discusses the relationship of old time music to the commercial country music with which it has been closely aligned and he challenges the prevailing wisdom that the origins of country music are in the South. Musician, fan, folklorist, and historian alike will benefit from and enjoy this

book The many musical transcriptions annotations photographs and appendixes provide a valuable reference to be used again and again *The American Whig Review* ,1845 *The American Review* ,1845 *Congressional Record* United States. Congress,1989 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *The Saturday Magazine. Published Under the Direction of the Committee of General Literature and Education Appointed by the Society for Promoting Christian Knowledge* ,1835 [The Drinkable Globe](#) Jeff Cioletti,2017-11-21 Join international beverage journalist and expert Jeff Cioletti as he explores the tradition consumption and production of alcohol on every continent The Drinkable Globe circumnavigates the planet and uncovers the boozy cultures and concoctions that make the world go round And you ll get to drink along with 130 recipes from exotic brands and renowned international cocktail personalities [The Encyclopaedia Britanica](#) ,1889
