to fall in love
with a complete stranger,

but how even more strange
it is the moment you feel
as if you've known them

Judaism Is About Love

Shai Held, 2024-03-26 A profound startling new understanding of Jewish life illuminating the forgotten heart of Jewish

theology and practice love A dramatic misinterpretation of the Jewish tradition has shaped the history of the West

Christianity is the religion of love and Judaism the religion of law In the face of centuries of this widespread

misrepresentation Rabbi Shai Held one of the most important Jewish thinkers in America today recovers the heart of the

Jewish tradition offering the radical and moving argument that love belongs as much to Judaism as it does to Christianity

Blending intellectual rigor a respect for tradition and the practices of a living Judaism and a commitment to the full equality

of all people Held seeks to reclaim Judaism as it authentically is He shows that love is foundational and constitutive of true

Jewish faith animating the singular Jewish perspective on injustice and protest grace family life responsibilities to our

neighbors and even our enemies and chosenness Ambitious and revelatory Judaism Is About Love illuminates the true

essence of Judaism an act of restoration from within

, 1923 Love and Politics Jeffery L. Nicholas, 2021-06-07 In *Love and Politics* Jeffery L. Nicholas argues that Eros is the final

rejection of an alienated life in which humans are prevented from developing their human powers Eros in contrast is an overflowing of acting into new realities and new beauties a world in which human beings extend their powers and senses Nicholas uniquely interprets Alasdair MacIntyre's Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value However this account cannot address alienation in the form of the oppression of women or people of color Importantly it fails to acknowledge the domination of nature that blackens the heart of alienated life Alienation must be seen as a separation of the human from nature Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature then to reconstruct the essential elements of Aristotle's metaphysics to defend a philosophical anthropology based on Eros Love and Politics Persistent Human Desires as a Foundation for Liberation presents a critical theory that synthesizes MacIntyre's Revolutionary Aristotelianism Frankfurt School Critical Theory and Social Reproduction Theory It will be of great interest to political theorists and philosophers

In Love with a Stranger Rose Von Barnsley, 2016-07-03 For Hannah Madison and her true love the connection was instant She hadn't given a second thought to running away with her soul mate Life had been perfect until tragedy struck After waking from her coma she can't remember the man she had fallen in love with She had no idea how she ended up in New York or became pregnant All she had left of him were teasing memories that played out in her dreams and an adorable little girl Even after seven years Hannah couldn't help it she was still in love with a stranger

Black Market Truth Sharon Kaye, 2008-10-27 Vatican Inspector Domenico Conti is called to St Paul's Basilica in Rome the morning after a break in that leaves the sarcophagus empty and its guard dead Conti is told to find the perpetrators but more importantly to recover the contents of the tomb Dr Dana McCarter newly appointed director of the Advanced Institute for the Study of Antiquity at NYU has her own secrets Her groundbreaking work on the Ancient Greek philosopher Aristotle was cause for her appointment to head the billion dollar initiative to unearth the secret roots of Western civilization What no one suspects is that her success is based on an addiction to illegal trafficking in black market manuscripts When a mysterious stranger gives Dana a tantalizing glimpse of a truly surprising scroll she becomes obsessed with tracking down its source Conti follows the trail of deceit to Dana's doorstep and the two form an unlikely team each with their own motives for recovering the scrolls which turn out to be five of Aristotle's lost dialogues In their battle for the scrolls Conti and Dana must confront their own demons as well as two powerfully evil forces the Dionysian cultists who want to keep the scrolls hidden and the Muslim jihadists who want to reveal them in order to discredit Christianity once and for all

Sudden Death in Opera Michael Trimble, Robert Ignatius Letellier, Dale Hesdorffer, 2021-09-28 An aspect of dying in opera rarely observed or commented on is Sudden Unexpected Death There are many deaths in this melodramatic genre most follow expected causes like murder suicide or old age This book explores those deaths which occur without obvious natural causes These are often central to the overall drama of the opera representing

denouements forming the epiphany of the story and the apotheosis for the audience The book identifies 50 operas where such events occur exploring the role of the dramatis personae the circumstances of their dying and specific themes that emerge These include a preponderance of females especially in the 19th century who die mainly at the end of the operas often in the context of tragedy It charts the growing awareness in the medical sciences of the unconscious forces driving human behaviour including liminal mental states and trances which influenced these operas and continue to affect human behaviour to the present day In addition the changing philosophies that are intertwined with operatic narratives in particular stemming from Kant Hegel Schopenhauer and Nietzsche are important in the book's exegesis as is the special role of Wagner's compositions This leads to the exploration of recurrent concepts such as the Liebestod the ewig Weibliche and redemption itself

Converse with One Earthly Jeannie Chen, Cheng Hsiu Chen, 2017-08-30 A book differs from a person in that one is dead and another alive The need to be consistent with oneself is one of the five merits discussed in chapter 7 A person needs to attempt on achieving consistency on all fronts but a book does not need to The inconsistency within this book demonstrates the consistency of authors to reveal all truth including our stages of spiritual growth An outline of this book is provided after the last chapter Textbooks in schools and colleges should have similar outlines appended to help the study The writing of outlines has not received enough attention in school that most students still write one paragraph before outlining Writing paragraphs sequentially should only occur when one does not have a clear sight of what to write and have only vague and general ideas Outlining should be done at least 95 percent of the time

Jesus or Nietzsche Raymond Angelo Belliotti, 2013 This book reconstructs the cornerstones of Jesus's moral teachings about how to lead a good even exemplary human life It does so in a way that is compatible with the most prominent competing versions of the historical Jesus The work also contrast Jesus understanding of the best way to lead our lives with that of Friedrich Nietzsche Both Jesus and Nietzsche were self consciously moral revolutionaries Jesus refashioned the imperatives of Jewish law to conform to what he was firmly convinced was the divine will Nietzsche aspired to transvalue the dominant values of his time which themselves were influenced greatly by Christianity in service of what he took to be a higher vision The interplay of these radical versions of the good human life seasoned with critical commentary emerging from modern findings in the sciences and humanities opens possibilities and lines of inquiry that can inform our choices in answering that enduring paramount question How should we live our lives
