## **Love Without End Jesus Speaks:**

*Love Without End* Glenda Green,1998-12 For almost two thousand years devoted believers mystics innocents and even non believers have reported to have near to life fully perceptual visitations with Jesus Christ In 1992 He appeared to Glenda Green and spoke with her daily for almost four months The expressed purpose of their visit was to paint His portrait but nothing in the history of her career as an artist or university professor had prepared her for the life transformation that was about to take place During this time they spoke as friends do of many wonderful things both miraculous and practical Nothing would ever be the same Her penetrating report of this experience is sincere unbiased and free of religious contrivance In many ways her perceptions provide a bridge to the new millennium Never before has language or a state of consciousness been present to examine the nature of such a miraculous occurrence as well as to develop the profound implications of it Here is a brilliant glimpse of eternity rich with practical applications to life These messages are sparkling and direct with great contemporary relevance Imparting in every way the impact of Divinity in communion with a thoughtful and well educated woman of our generation Amazing answers are given to more than 300 penetrating questions *Tales of People Who Get It* Avil Beckford,2007-03-03 *Tales of People Who Get It* is based on the ideas actions and beliefs that were uncovered in interviews of 34 highly successful individuals from Canada the United States Sweden Switzerland Jamaica and South Africa The responses to the interviews form each individual story And the effect is startling when you ve finished reading the stories you get the sense that every thing is connected that we re all connected There is also a sense of comfort in knowing that any of the stories could be your story because while these are successful people who get it they are also ordinary people with the same challenges and struggles we all face It s a chance to learn from the way they resolve these struggles and apply the lessons when those same challenges arise in your life *Do We Have An Immortal Soul?* Orest Stocco,2014 The I is the big mystery of life The I is a miraculous unit of reflective self consciousness that is aware of its own individuality and separateness from life and although every I is made of the same individuated consciousness of life each I in the words of the poet John Keats possesses a bliss peculiar to each one by individual existence The I is who we are It is our distinct individual core identity Like snowflakes we are all different but the same but how do we become different Better still how do we even become a distinct separate I **The Rise of the Kingdom of Heaven, Volume 1 (Paperback)** Gerhard Alm,2008-10-25 Living in a Hippie Community in the Australian rainforest I in January 1992 started to write about my visions and spiritual experiences I described ten places in our heads as homes of the human spirit There are many publicly known people who are involved in the move of the Earth to a higher dimension in 2013 More than 200 000 people live on Earth and at the same time on a parallel world which is a home for immortal people The evangelist John spoke with a Cross of Light I believe that a new Cross of Light will appear on Earth soon In July 1979 I met the devil and his wife on the inner German border I name some people who have been the devil of previous Earth like planets in older universes Alex Collier wrote in 95

that since my 40th birthday on 3 23 1994 vibrations leave all black holes of our local universe changing its nature lifting all planets into higher dimensions I believe these frequencies come from the Immortals living on Earth now including me
