Dr. James K. Stewart,2016-07-15 A BIBLE STUDY RESOURCE Dr Stewart takes a bold new approach to Bible Study in his new book BIBLICAL THEMES While most studies engage in the reinforcing of Christian dogma Biblical Themes will give the reader a deeper understanding of Gods plan for the nation of Israel You will learn just what Jesus meant and how the Pharisees understood the statement if these the crowd should hold their peace these stones would immediately cry out Luke 19 40 This was not an off hand meaningless statement It was a declaration In the Old Testament God set stones apart as a witness heap You will learn the real reason why Abraham was willing to sacrifice Isaac and why God commanded him not to kill his son thereby abolishing human sacrifice Dr Stewart has chosen a wide variety of topics people and places for you to explore thereby enriching your Biblical knowledge In order to make for a lively Bible Study a series of questions follow each topic This is not a resource for the faint of heart as it deals with subject matter clergy prefer to ignore Dr Stewarts eye for detail sheds light on Gods never ending love for creation and overwhelming desire to one day reign over a kingdom built on love As in his first book The Bible According to Jim all exegetical work is done in Hebrew and Greek and not a series of English translations If you want to enjoy a work that will truly engage you then this is the resource for you You will also be engaged by the questions that follow each topic Dr Stewart guarantees they will make for a lively Bible Study **Heavenly Themes. a master craftsman harkening us back to Melville's Billy Budd and Moby Dick in terms of humankind's struggle against an ever present evil. A full 33 years after the publication of his first novel, the Vermont author in *Walking to Gatlinburg* (2010) examined the polarity between cowardice and honor. In the intervening years between *Disappearances* and *Gatlinburg*, Mosher explored crucial matters such as the disappearing wilderness, industrialization, black male/white female encounters, the necessity of humor, the quest for salvation, and the immortality of romantic love—all issues that he delved into as he staked out a unique terrain within the pantheon of Bunyan, Shakespeare, Dreiser, Twain, Faulkner, Steinbeck, Harper Lee, and others.

English in Africa, 2007 *Myth and Environmentalism* Esther Sánchez-Pardo, María Porrás Sánchez, 2023-07-05 This volume traces the interconnections between myth, environmentalism, narrative, poetry, comics, and innovative artistic practice, using this as a framework through which to examine strategies for repairing our unhealthy relationship with the planet. Challenging late capitalist modes encouraging mindless consumption and the degradation of human nature relations, this collection advocates a re-evaluation of the ethical relation to living with and sharing the Earth. Myth and the environment have shared a rich common cultural history, travelling as far back as the times of storytelling and legend, with the environment often the central theme. Following a robust introduction, the book is organized into three main sections: Myth, Disaster, and Present Day Views on Ecological Damage. Indigenous and Afro-diasporic Myths and Ecological Knowledge, Art Practices, Myth and Environmental Resilience, and concludes with a Coda from Jeanette Hartmann. The methodology draws from diverse perspectives such as ecocriticism, new materialism, and Anthropocene studies, offering a truly interdisciplinary discussion that reflects on the dialogue among environment and myth, and a broad range of contributions are included from Canada, the United States, the Caribbean, Ukraine, Japan, Morocco, and Brazil. The book joins a long line of approaches on the interrelations between ecological and mythical thinking and criticism that goes back to the early 20th century. This volume will be of interest to students, scholars, activists, and experts in environmental humanities, myth, and myth criticism literature and art on more than human and nature interaction, ecocriticism, environmental activism, and climate change. AUTHOR'S INTRODUCTION I'm convinced that the Gospel enters our experience with the most sharpness and clarity at the points of the pain and passion of our life encounters As a comfortable middle class straight white male American Christian I've had virtually everything to learn from the people to whom I've been sent Experiences in the Philippines and Pacific Islands those while working with the World Hunger Emphasis of The United Methodist Church and while assigned to ecumenical organizations have had profound impact upon my faith and my approach to Bible study and worship preparation Serving as pastor of congregations that openly welcomed gay and lesbian persons into a full participation have extended this experience I'm also convinced that the Gospel most powerfully enters the experience of those to whom we've been sent when it speaks practical hope to vulnerabilities and pain At their best and as they were intended to be ministries of service are a vital integral part of the task of evangelization which not only involves preaching Good News but BEING Good News Preaching and reflecting are meaningless without serious engagement with real life The simplest of traditional cultures to which I was introduced have helped me in my spiritual journey As a Filipino anthropologist friend said after spending some weeks with the so called Lost Tribe the Tasaday in South Cotabato We'll not realize how much we have to learn from them until we admit to what we ourselves have lost My friends in

traditional indigenous cultures have made me more sensitive to deeper meanings in stories and parables Perhaps they re more aware than we so called educated folk that this is how we transmit our culture and values It s in the stories where we find the greatest richness of the Bible in both the old and New Testaments Jesus constantly taught through story parable and metaphor Taking a shallow literal approach to these causes us to miss the many layers of meanings and themes which the writers intended to be addressed While stories may not prove something they illustrate something and they carry their own conviction It s up to us to incorporate them into our insight and understanding Hearing the stories of others has put me in closer touch with my own May mine do the same for you **Troubling Jeremiah** A.R.
