

A young man and woman are walking together in a sunlit park. The woman is on the left, wearing a dark jacket over a light-colored top, and the man is on the right, wearing a dark jacket over a light blue shirt. They are both looking down and smiling. The background is a soft-focus view of trees and a path.

Love With Your Eyes Open:

The 7 Initiatory Fires of Modern Manhood Hendrix Black, 2023-05-09 Lost in the fervent call for men to be more is the fact that man already is more than he's ever been. Almost unreasonably more. Written with the goal of positively impacting the lives of 50 million men and their families for generations to come. The 7 Initiatory Fires of Modern Manhood is a practical guidebook and self-development path for modern men. At a high level, The 7 Initiatory Fires of Modern Manhood is built upon the premise that contrary to popular belief, initiation into manhood hasn't disappeared. It's simply been misunderstood. And that as a modern man, the grounds for deep and permanent transformation are already present in everyday life. Namely in intimate relationships, fatherhood, pursuit of purpose, business and livelihood, thriving physically and mentally in an unhealthy world, thriving emotionally and spiritually in an unbalanced world, and expressing fully in a suppressed world. All of these fires, when approached from a place of deep reverence, regenerative power, and expansive possibility, provide the accelerated growth and awakening that true initiation has always entailed. In that spirit, The 7 Initiatory Fires of Modern Manhood presents a grounded and structured path of inner and outer development for men, offering a fresh take on men's work and a clear path that brings courage and direction to an otherwise arduous and often missed pursuit.

Words From Within: Life Poetry Crystal Lightner, 2010-04-30 Crystal Lightner writes in this anthology of poetry about life as seen through her eyes. Influenced by her many experiences, trials, tribulations, and events in her life, she shares her views and messages of hope, pride, and compassion through her words, which she calls Life Poetry.

How to Be Love(d) Humble the Poet, 2022-12-27 The last book on love you'll ever need. Explore simple truths for going easier on yourself, embracing imperfections, and loving your way to a better life through insightful stories and down-to-earth advice from artist and international best-selling author of *Unlearn*. Humble the Poet: We all want love. Everything we do is in pursuit of that love, but that journey has gotten difficult and complicated. We're programmed to seek love outside of ourselves, and we're trained to love as something to earn or a destination to reach. That programming blinds us to the simple truth that we are beautiful, eternal sources of love, and to BE LOVED is to BE LOVE. This book is a guide to self-love that helps to clear the blockages on your path inward towards love and throw away old ideas that prevent us from realizing the love we've always had. Clear away the misguided notion that you must be ENOUGH before you are worthy of love; you are worthy. Clear away the expectations for love you have learned from the media; love is messy and real, not happily ever after. Clear away your lack of self-awareness; see yourself for who you truly are. Instead of earning more, achieving more, and gaining more attention, what we really need to do is clear pathways and make room for love to enter, be realized, and flourish. Whether we're talking about love for ourselves or love for everyone and everything.

ENDLESS LOVE, ROMANCE , AND INTIMACY Bukenya Siraje, As a society we are embarrassed by love We treat it as if it were an obscenity We reluctantly admit to it Even saying the word makes us stumble and blush Love is the most important thing in our lives a passion for which we would fight or die and yet we're reluctant to linger over its names Without a supple vocabulary we can't even talk or think about it directly As the title ENDLESS LOVE ROMANCE AND intimacy indicates we want to live in a culture where love can flourish We yearn to end the lovelessness that is so pervasive in our society This book tells us how to return to love ENDLESS LOVE ROMANCE AND intimacy provides radical new ways to think about the art of loving offering a hopeful joyous vision of love's transformative power it lets us know what we must do to love again Gathering

love's wisdom it lets us know what we must do to be touched by love's grace THERE ARE NOT many public discussions of love in our culture right now At best popular culture is the one domain in which our longing for love is talked about Movies music magazines and books are the place where we turn to hear our yearnings for love expressed Yet the talk is not the life affirming discourse of the sixties and seventies which urged us to believe All you need is love Nowadays the most popular messages are those that declare the meaninglessness of love its irrelevance A glaring example of this cultural shift was the tremendous popularity of Tina Turner's song with the title boldly declaring What's Love Got to Do with it I was saddened and appalled when I interviewed a well known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm Love what's that have never had any love in my life Youth culture today is cynical about love And that cynicism has come from their pervasive feeling that love can not be found Expressing this concern in When All You've ever Wanted isn't Enough Harold Kushner writes I am afraid that we may be raising a generation of young people who will grow up afraid to love afraid to give themselves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out I am afraid that they will grow up looking for intimacy without risk for pleasure without significant emotional investment They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy Young people are cynical about love Ultimately cynicism is the great mask of the disappointed and betrayed heart When I travel around the nation giving lectures about ending racism and sexism audiences especially young listeners become agitated when I speak about the place of love in any movement for social justice The Golden lamp; or, Truth in love for the children of God , **The Love Magic Book** Gillian Kemp,2008-12-14 Open this enchanting handbook of inspiring spells from journalist and clairvoyant Gillian Kemp and discover the magic of love romance and relationships *For Every Fear a Promise* Brad Hicks,2012-12 Real people face real fears Dr Hicks inspires you to discover that God has designed a way to help you cope with the fears in your life There are many statements in Scripture that either explicitly or implicitly teach us not to fear What you may not have discovered is that for every one of those there is a promise from God to help you overcome the fear With each devotion you will find a fear not and a promise from Scripture As you discover and appropriate those promises your fears should begin to subside You will find yourself identifying with the stories that illustrate Bible truths about fear be encouraged as you discover a blend of the spiritual and the therapeutic in coping with fear and confront your personal fears and discover God's overcoming promises through each Scripture rich life applied devotion Unexpected Blessings Roma Downey,2022-04-12 Actress and New York Times bestselling author Roma Downey returns with an uplifting and life affirming devotional celebrating the power of God's love that will comfort your heart and nourish your soul Inspired by her New York Times bestseller Box of Butterflies Roma Downey presents a beautiful 90 day devotional that guides you to savor God's blessings Featuring some of the most moving content from her previous book along with new heartwarming material Unexpected Blessings combines scripture with insight and prayer helping you
