renowned Nouvelle Vague filmmakers **A Fisherman's Son** Edencio Abalos Fernandez, 2005-08 A Fisherman's Son A Lifetime Dream To Remember is a collection of paintings poems and journals created and composed by the author who never had an interest in arts and poetry before 1997 and when he was in school The book is a product of pure gifts and inspirations handed down to the author whose education profession and career are completely unrelated to arts poetry and creative writing The impressionistic style of painting presented in the book is remarkable and the poems and journals were not professionally crafted but more like voices heard from above that are meant to be shared with every soul The book presents paintings of scenes mostly in Georgetown Washington D C Northern Virginia Japan New Zealand and the Philippines Moreover the chapter Imagining contains some expressionistic creations by the author The poems and journals reflect author's thoughts and feelings on the subject of love affection existence war and peace and technology and his impressions on his surroundings and life activities inspirations dreams adventures and fiction stories Mongoose Anthony Haas, 2008-02 It was a conscious decision while reading Henry Miller's somewhat obscure book called The Time Of The Assassins and then getting into Rimbaud's Illuminations it was a decision to write from my unconscious and Hermitically as well It was a difficult time when I first started on these writings but I'm glad I wrote it down because the past vanishes practically into the vast blue nowhere time is such a sneaky weasel Its been a heck of a ride Gradually though I become less introverted and the poems I think their content and form become more and more public almost a kind of journalism away from the freaky trapped scared and half nutshell crazed Also around the time I started writing these poems I was catching my first real and protracted study of philosophy in particular Nietzsche's The Birth of Tragedy And technically as well as the ideas astounded me really and it really felt great to be able to read and then write hoping to run parallel with philosophy and whatnot This then these precarious poems where walking the plank is for real is my attempt to climb out of my self the old mind cage of lonesome fears the shadowland and enter in into the now of the implacable hub of no perspective but that of now If there is a message to these poems its probably just in the inherent fact that one exists lives delves under and to the very heart where mind and soul dance that eternity dance of one any how way and who Race in American Literature and Culture John Ernest, 2022-06-16 The book shows how American racial history and culture have shaped and been shaped in turn by American literature **On the Improvement of Society by the Diffusion of Knowledge** Thomas Dick, 1833 When the River Flows Out of Its Bed Gaelle Cathy, 2011-11 One too many misdemeanors get nineteen year old Eliza Carlisle back from the United Kingdom to finish high school in wealthy Lorient NJ The bad news soon turns into a new challenge for the troubled young woman when she meets Julia a fragile young girl purposely cut off from everyone Determined to uncover the town sized secrets surrounding Julia their relationship grows into a special friendship Unexpected feelings and dangers get in the way
