Experiment in Marriage Charles Joseph Bellamy, 1889      **Friends and Lovers** Sam Laing, Geri Laing, 1996      **Friends and Lovers (New)** Sam And Geri Laing, 2017-05-20 Sam and Geri Laing have written a book on the importance of friendship and love in marriage It also includes a leader s guide and a guide for dating couples      *Sacred Marriages* Martti Nissinen, Risto Uro, 2008-06-30 The title of this volume *Sacred Marriages* consciously plays with the traditional concept of sacred marriage but the plural form sacred marriages gives the reader an idea that something more is at stake here than a monomaniacal idea of manifestations deriving from a single prototype Following the guidelines of one of the contributors Ruben Zimmermann the editors tentatively define sacred marriage as a real or symbolic union of two complementary entities imagined as gendered in a religious context Sacred marriages plural then refers to various expressions of this kind of union in different cultures that seek to overcome to cite Zimmermann again the great dualism of human and cosmic existence The subtitle indicates that the contributors are primarily interested in different aspects of the divine human sexual metaphor that is the imagining and reenactment of a gendered relationship between the human and divine worlds This metaphor which is essentially about relationship rather than sexual acts can find textual ritual mythical and social expressions in different times and places Indeed the sacred marriage ritual itself should be considered not a manifestation of the sacralized power of sexuality experienced in sexual intercourse but one way of objectifying the divine human sexual metaphor      *Married Lovers, Married Friends* Steve Chapman, Annie Chapman, 1999 With a unique blending Scripture humor and candid personal experiences this book shows 11 ways to build a fulfilling marriage      *Lovers for Life* Roberta DeVille, Jard DeVille, 1980

**Journal of Sexology and Psychoanalysis** ,1924 *Lovers and Husbands* Timothy Shay Arthur,1845 Reconnected Greg Smalley,Erin Smalley,2020-04-21 Are You Married to Your Roommate or Your Lover Whether you ve been married for six years or six decades you may wake up one day to discover that the person sleeping next to you has become a stranger Between work kids financial woes and the busyness of everyday living your marriage may feel like it s on life support You and your spouse love each other but you re both barely hanging on How do you find your way back How do you reconnect with your spouse and capture all that marriage is intended to be Dr Greg and Erin Smalley understand Despite being hailed as marriage experts they found themselves living more like roommates than lovers Through intentional work they fought their way back and you can too In *Reconnected* they ll walk alongside you and your spouse as you learn to reconnect by Sharing life giving communication Dreaming together about your future Rekindling romance and passion Embracing your individuality while coming together as a couple Transforming your life from one of busyness to one of connection Take your marriage from surviving to thriving Reconnect with your first love **The Good Marriage: How and Why Love Lasts** Judith Wallerstein,2019-08-09 When it first appeared in 1995 *The Good Marriage* became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment *The Good Marriage* explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about *The Good Marriage* is its modesty It doesn t pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women s marital roles

and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein's major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health *Marriage and Inequality in Classless Societies* Jane Fishburne Collier, 1993-02-01 This study presents three ideal typic models for analyzing inequality in

kin based non stratified societies that are commonly described as bands tribes or ranked societies but not chiefdoms Each model discusses the organization of inequality associated with a particular way of validating marriages The book is a serious and complex attempt to understand the bases and dynamics of inequality in classless societies It offers a sophisticated argument for the position that there is a culturally structured basis for women s universal subordination An important strength of Collier s theoretical interpretation is that it makes the case for universality of subordination without slipping into biological reductionism
