Lovers Crossing James C. Mitchell, 2003-07-17 Featuring Roscoe Brinker border detective *Crossing the Swell* Tori Holmes, Paul Gleeson, 2011-02-15 That first day is hard The hands begin to cramp drops of blood start oozing through your fingertips In 2003 Tori Holmes a 21 year old from Alberta Canada and Paul Gleeson a 29 year old financial advisor from Limerick Ireland met in Australia when Holmes answered an ad to drive the support vehicle for Gleeson s 5 000 kilometre cycling trek across that country During their first adventure together Gleeson fell hard both off his bike and for the woman driving the car Once Australia was behind them it became clear that crossing a continent together was simply not enough Acting on self assured determination and an ever growing sense of adventure Gleeson and Holmes embraced the dream of rowing a tiny boat across the vastness of the Atlantic Ocean in the 2005 06 Trans Atlantic Race Of course neither of the young adventurers knew how to row so they connected and trained with the only Irishmen ever to have completed the same race Eamonn and Peter Kavanagh In November 2005 after months of training Paul and Tori left the Canary Islands to row 4 800 kilometres across the Atlantic In February 2006 they completed their epic journey after 86 days of huge seas violent storms terrifying capsizes unbearable thirst bizarre hallucinations and sleep deprivation Along the way however during one of the darkest moments in the race inspiration came in the form of an unseen yet completely perceptible presence Old seafaring lore has several theories as to what this might have been but both adventurers are keeping their minds open on it Part inspirational adventure story part travelogue and part romance *Crossing the Swell* is an honest and intimate portrayal of what it takes to truly engage in the many adventures that life has to offer **Love Pistols, Vol. 11 (Yaoi Manga)** Tarako Kotobuki, 2024-01-23 Norio is ecstatic that Kunimasa is finally back from his business overseas especially since the gossip mags kept running articles about his engagement to foreign princes But his joy at seeing his boyfriend again quickly turns sour when Kunimasa demands to know what Norio likes about him before removing the blind he placed on Norio Now that Norio can finally see Kunimasa as he really is will a happy reunion become the worst night of Norio s life VIZ Media In Time for Love Kessily Lewel, 2018-01-29 Just when her world had fallen apart Katherine stumbles into the Dominant man of her dreams Stern but loving Jack is everything she needs to mend her broken heart He reels her in and curbs her self destructive behaviors while slowly bringing her to her knees She falls in love with the way he takes control of her body but what is the mysterious secret he s keeping from her and will it change how she feels when she learns the truth Warning This love story contains plenty of steam and graphic scenes of power exchange and discipline *That'S the Way It Is* Molly Stringer, 2016-03-23 Memories flood my mind as I reminisce how my journey has been a lifetime of happenings that speak to my soul with lessons that can be applied to our daily lives These memories are conjured up at odd and sometimes inconvenient times As I sat in church last Sunday and the pastor began his message my mind captured a thought of bygone days that spoke loud and clear to my mind and I scrambled in my bag for a pen and paper to put my thoughts down Brother

Tim must have thought he had really said something profound and he did but I did not write that down It is my hope that all who read my memories and the lessons that I glean from them will take them to heart and identify with them and feel happiness insight and perhaps laughter as they share my memories and truths **The Road Goes on Forever** Jake Hessman,2010-08 If you had complete freedom from all obligations both personal and financial and thousands of options lying ahead of you how would you decide which one to pursue This is the position Chris Coupland finds himself in on a frigid New Year s morning when his relationship with Hope ends abruptly From loss and confusion through success and reconciliation his choices and the resulting journey may surprise you Avoiding demons and chasing dreams his search for Hope or even just hope will be the catalyst for the change he never knew he needed His challenge now is to decide which path to take and whether to take that path alone or with someone South of Tradition Trudier Harris,2010-04-15 With characteristic originality and insight Trudier Harris Lopez offers a new and challenging approach to the work of African American writers in these twelve previously unpublished essays Collectively the essays show the vibrancy of African American literary creation across several decades of the twentieth century But Harris Lopez s readings of the various texts deliberately diverge from traditional ways of viewing traditional topics South of Tradition focuses not only on well known writers such as Zora Neale Hurston Ralph Ellison James Baldwin and Richard Wright but also on up and coming writers such as Randall Kenan and less known writers such as Brent Wade and Henry Dumas Harris Lopez addresses themes of sexual and racial identity reconceptualizations of and transcendence of Christianity analyses of African American folk and cultural traditions and issues of racial justice Many of her subjects argue that geography shapes identity whether that geography is the European territory many blacks escaped to from the oppressive South or the South itself where generations of African Americans have had to come to grips with their relationship to the land and its history For Harris Lopez south of tradition refers both to geography and to readings of texts that are not in keeping with expected responses to the works She explains her point of departure for the essays as a slant an angle or a jolt below the line of what would be considered the norm for usual responses to African American literature The scope of Harris Lopez s work is tremendous From her coverage of noncanonical writers to her analysis of humor in the best selling *The Color Purple* she provides essential material that should inform all future readings of African American literature The Souls of Dumah Mark Thornton,2000-12-22 What if it were possible to experience life after death without dying To actually see what happens to another person s soul after death That is the goal of Dr Miles VanBurin a wealthy surgeon with an obsession for uncovering the secrets of the human soul

The Criminal Child Jean Genet,2020-01-21 *The Criminal Child* offers the first English translation of a key early work by Jean Genet In 1949 in the midst of a national debate about improving the French reform school system Radiodiffusion Fran

aise commissioned Genet to write about his experience as a juvenile delinquent. He sent back a piece that was a paean to prison instead of the expected horrifying exposé. Revisiting the cruel hazing rituals that had accompanied his incarceration, relishing the special argot spoken behind bars, Genet bitterly denounced any improvement in the condition of young prisoners as a threat to their criminal souls. The radio station chose not to broadcast Genet's views. *The Criminal Child* appears here with a selection of Genet's finest essays, including his celebrated piece on the art of Alberto Giacometti.

A Wall of Light
Edeet Ravel, 2011-04-20

I am Sonya Vronsky, professor of mathematics at Tel Aviv University, and this is the story of a day in late August. On this remarkable day, I kissed a student, pursued a lover, found my father, and left my brother. So begins *A Wall of Light*, a novel which chronicles a single day in the life of Sonya, a thirty-two-year-old deaf woman about to break out of her predictable routine. Sonya lives in Tel Aviv with her protective half brother Kostya; their household has dwindled from five to two. Anna, their mother, is now in a nursing home, and Noah, Kostya's son, is living in Berlin. Kostya, wracked with guilt for the tragedies that have befallen Sonya, also grapples with the memory of his wife Iris, a lawyer murdered in the course of a dangerous investigation seventeen years earlier. As we move through Sonya's day, Noah and Anna narrate their stories as well. Noah's journal entries cover the years 1980-1993, and Anna's letters to Andrei, her married lover in Russia, are written in 1957, after Anna has emigrated to Israel to build a new life for herself and her son, Kostya. While Sonya's story moves rapidly through the events of a single day, Noah and Anna's voices take the reader back in time, filling in the circumstances that have led Sonya to this pivotal moment. We learn that Sonya has already endured two catastrophes: At age twelve, a medical mishap leaves her deaf, and at eighteen, while studying at university in Beersheba, Sonya is assaulted by two hoodlums. Throughout the novel, Sonya's experiences, instigated by both human error and human evil, are echoed by the larger political violence that haunts modern Israel. While Noah's and Anna's voices shed light on Sonya's journey, they also provide insights into the political and cultural fabric of Israel from the mid-1950s to the present. Noah's journal entries start with his tenth birthday and end shortly after his army service, marking his coming of age. We see him wrestling with his sexual identity and first sexual encounters, the fallout from his mother's leftist politics, and his own conscription to the army. Anna's secret letters to Andrei offer an outsider's perspective on the new Israeli state. The remarkable events of Sonya's day are set in motion when her brother gives her an antihistamine. Overcome with sleepiness, she dismisses her morning class early, asking only one student, Matar, to stay behind. She wants to understand what lies behind his unusual expression. He answers that he has been involved in war crimes and surprises Sonya by kissing her. Sonya feels that she has been roused from a long slumber, and as the novel progresses, we see the ways in which her awakened desire shapes her choices. She decides to take a taxi home from the university and impulsively invites the taxi driver inside and seduces him. He complies, but when she tells him she's deaf, he flees in confusion. Sonya is convinced that she has fallen in love with him and decides to pursue him. She solicits her brother's help and sets out to find her lover. Sonya's search gains in intensity and purpose as she travels to East Jerusalem. There she

encounters the walls that prevent Palestinians from moving freely through the West Bank After an Alice in Wonderland like journey past numerous obstacles Sonya finally makes it to her lover's house This second encounter leads Sonya to a central revelation the identity of her father As this day of awakened desire and dispelled secrets closes Sonya is able to step out from under the protective wing of her brother into a life that reflects both the ambiguity and uncertainty of contemporary Israel and her own personal possibilities **Vietnam Magazine**, 1971 Stolen Limelight Margaret E. Gray, 2022-05-15 Who has not in a favored moment stolen the limelight whether inadvertently or by design The implications of such an act of display its illicitness its verve its vertiginous reversal of power its subversiveness are explored in this book Narrative crafting and management of such scenarios are studied across canonical novels by Gide Colette Mauriac and Duras as well as by African Francophone writer Oyono and detective novelist Japrisot As manipulated within narrative acts of display position a viewer or reader from whom response from veneration or desire to repugnance or horror is solicited but this study demonstrates that display can also work subversively destabilising and displacing such a privileged spectator As strategies of displacement these scenarios ultimately neutralise and even occult the very subject they so energetically appear to solicit Powered by gendered tensions this dynamic of display as displacement works toward purposes of struggle resistance or repression
