Andrews.).** LOVERS., 1914      *Madame de Staël and Her Lovers* Francis Henry Gribble, 1907      *Lovers in Exile* Elisabeth von Flemming Heyking (Baronin von), 1914      **The conflict of love and honor** Joan M. Ferrante, 2011-09-27 No detailed description available for The conflict of love and honor      *If I Were Another* Mahmoud Darwish, 2014-10-28 Winner of the PEN USA Literary Award for Translation A collection of the Palestinian poet's work spanning his career from 1990 to 2005 Mahmoud Darwish was that rare literary phenomenon a poet both acclaimed by critics as one of the most important poets in the Arab world and beloved by his readers His language lyrical and tender helped to transform modern Arabic poetry into a living metaphor for the universal experiences of exile loss and identity The poems in this collection constructed from the cadence and imagery of the Palestinian struggle shift between the most intimate individual experience and the burdens of history and collective memory Brilliantly translated by Fady Joudah *If I Were Another* which collects the greatest epic works of Darwish's mature years is a powerful yet elegant work by a master poet that demonstrates why Darwish was one of the most celebrated poets of his time and was hailed as the voice and conscience of an entire people Darwish writes poetry of the highest and most intense quality poetry that embodies epic and lyric both deeply symbolic intensely emotional He has in Joudah's startling and tensile English expended into us a new vastness Kazim Ali The Kenyon Review Here we have in one glorious volume the reach and the depth of Darwish's lyric epics that individually repeatedly and cumulatively shifted our understanding of what poetry can accomplish In his lucid and compelling translations Joudah offers us a gesture of unequalled fraternity in lines that mirror and move in loyalty to the birth of new poems Breyten Breytenbach author of *All One Horse*      **Joyce's Love Stories** Christopher DeVault, 2013 In his comprehensive study of love in James Joyce's writings DeVault shows that Joyce frequently ties his characters' personal and political pursuits to their ability to affirm both their loved ones and their fellow Dubliners For Joyce love for others need not compromise one's personal desires but rather offers the possibility of a broader social compassion that creates a more progressive body politic      *Ovid's Lovers* Victoria Rimell, 2006-06-15 A compelling investigation of the question of the male female relationship which is central to Ovid's works      *Victorian Women Poets* Virginia Blain, 2014-01-21 There has been a huge revival of interest in Victorian women's poetry in the last ten years and it has led to a major reconfiguration of the English poetic landscape of the nineteenth century This title offers a key selection of poems by 13 Victorian women poets from Christina Rossetti and Felicia Hemans to the witty iconoclastic May Kendall The book starts with a substantial general Introduction which places the work of the poets into a context both historical that of the poems' production and modern that of their past and present reception Each poet's work is introduced by an expansive headnote which tells the story of her life and writing career The poems all have full explanatory

notes to help readers unfamiliar with the period A Bibliography lists general sources as well as useful further readings

**Salim Barakat, Mahmud Darwish, and the Kurdish and Palestinian Similitude** Aviva

Butt,2021-08-03 The poetry of Salim Barakat aims to recapture the ancient oral culture of the Kurdu and in so doing re-invent a distinctly Kurdish culture Through poetic innovation this intensely Kurdish poet brings modernity to ancient Kurdish structures This book provides an overview of new developments in modern Arabic poetry as seen through the creativity of its leading exponents Barakat and Mahmud Darwish as well as the older Syrian poet Adunis Its unsurpassed translations of the work of these poets open up possibilities for the reader to enjoy first hand what modern Arabic poetry has to offer

Translating Barakat's poetry and understanding something of what this great poet has to say has thrown new light on the output of his friend Mahmud Darwish It becomes clear that the Palestinian poet uses a semblance of Barakat's Kurdish Shahnama and also his Ballade genres that hail from orality Analyzing Darwish's Fewer Roses and The Hoopoe we find that the former is an epic with 50 episodes telling of the wanderings of Palestinians in exile The Hoopoe is specifically a Sufi poem based in the literary Sufism of medieval poets Darwish has left us with clear instructions on how to translate his poetry which this book carefully follows Lovers in Exile.
