Evil...Overcoming Degradation Through the Love and Brilliance of God: Book Two: Seeking to Duplicate the Heart, Courage and Genius of the Lord Jesus Christ Jerry Davis,2012-08-10 Book One may appear to be a little scary to read because it takes you into evil and the destruction of lives Far too many people wont begin to take a look What mankind doesnt recognize from afar is that he has been in agreement with many of the lies being perpetuated through the deceitfulness of evil and his lack a awareness He managed to get himself in and now he must fully participate in getting himself out The good news is Book Two is providing the help necessary to bring you out Its giving you the map and the access to understanding that which will help to set yourself free You will find you cannot do all of it alone The life of Jesus Christ is being utilized in Book Two as our ultimate leader teacher and guide You will want to understand the heart courage and genius which was developed Him from living His life in faith The attributes of Jesus can and should be studied and duplicated His teachings are aptly quoted to illustrate various results of life and provide oppositions of thought to counter the mechanics of evil being levied against us through the minds of the self Jesus gave us His teachings examples and demonstrations over two thousand years ago Mankind has made progress since then in maintaining his sanity and integrity but our progress has not proven to me to be enough Look closely at people and their problems and you will see that far too many people are living with way too much pain and fear And we all hear stories of good religious people who experience a fall as they become subject to sinning Yes we are all sinners but much of the sinning we do is because we do not greatly understand The mechanics of evil and the thousands of approaches Satan has to engage a man are often overwhelming I look

at our world today and can see the many compulsions at work in the minds of men in mass and I'm genuinely concerned. Man doesn't begin to understand the size, complexity and scope of all that he is up against in our world as it is. We've all heard of Satan and most of us will acknowledge he is there to damage our life but generally that's as far as our knowledge of him goes. It is our ignorance of him that makes us most vulnerable. When we don't recognize the decisions we make are in league with supporting his working mechanics in pain then we don't have much of a chance. We need to become enlightened in order to be protective of our souls which is the basis and design of book number three. Book Two has two agendas which I continue to present throughout. I continue to show the reader the ongoing dilemmas he has to contend with through the cunning and deceit of evil in full cooperation with the six major steps of the longest and greatest lie ever told. Various aspects of the lie are a part of each one of us and the lies will literally have to be removed. This will take a lot of time and hard work. While you will be steadily at work getting to the truth, I will continue to show you the things you will need to actively involve yourself in in order to bring yourself out. There are no easy solutions and there is little gain to be made without the accommodation of some pain. But the pain will be tolerable and the end will remain as a blessing in your sights. You have the Trinity of God working within you through your deep and deliberate breathing. You have scriptures of truth to be studied at your disposal and you will have the blessings of your memorized prayer. You have the love, faith and forgiveness of God working within your essence of being. You will be learning to let go and trust in God. The more you learn to love them as the Trinity, the more you will grow in faith. And as Jesus told us, It is from faith God will make us well.

How to Create Heart-Based Hospitality: The Future of the Hotel Hospitality Experience Peter McAlpine, This book shows hoteliers how to create a spirit of hospitality that is impossible to create with the globally pervasive standards manual based concept of SOP Customer Satisfaction. Heart Based Hospitality is an energetic and spiritual concept of hospitality and it provides a completely new direction in hospitality. It is based on creating an ever increasing spirit of unconditional love. Metta loving kindness, compassion and heart warming care which are the forgotten essence of hospitality. By working with energy, especially heart energy and by developing the spiritual capacity of the staff, you can create limitless levels of spiritual and energetic hospitality far above the traditional SOP Customer Satisfaction ceiling. As you develop Heart Based Hospitality, you can increase the softness, gentleness, loving kindness, compassion and heart warming care of the staff and the energetic warmth of the hospitality without limit. Heart Based Hospitality is a concept and a direction that enables the spirit of hospitality to evolve energetically and spiritually. It will revolutionise the hospitality industry. I call the level Heart Based Hospitality because it is created by working with human energy, especially with the energy of the heart, by developing the heart's intelligence by increasing heart coherence so as to open the heart to experience ever stronger emotions of love and by developing spiritual capacity which increases the desire to show unconditional love. Metta loving kindness, heart warming care and compassion from the heart. The future hospitality experience will be energetic and spiritual. Hotels in the future will
