Subsequently Will Be Mentioned Ramahari Patra,2024-10-16 **Lacan on Love** Bruce Fink,2017-09-05 Quintessentially fascinating love intrigues and perplexes us and drives much of what we do in life As wary as we may be of its illusions and disappointments many of us fall blindly into its traps and become ensnared time and again Deliriously mad excitement turns to disenchantment if not deadening repetition and we wonder how we shall ever break out of this vicious cycle Can psychoanalysis with ample assistance from philosophers poets novelists and songwriters give us a new perspective on the wellsprings and course of love Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is In this lively and wide ranging exploration of love throughout the ages Fink argues that it can Taking within his compass a vast array of traditions from Antiquity to the courtly love poets Christian love and Romanticism and providing an in depth examination of Freud and Lacan on love and libido Fink unpacks Lacan's paradoxical claim that love is giving what you don't have He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don't have This first ever commentary on Lacan's Seminar VIII Transference provides readers with a clear and systematic introduction to Lacan's views on love It will be of great value to students and scholars of psychology and of the humanities generally and to analysts of all persuasions

Goff,2017-06-22 This book is about the road of grief I traveled when my only son died The death of my son struck me down in a place where I had never been before and it left a deep gut wrenching wound that had to have time to heal My son left to go to his eternal home and I was left to bear my sorrow However God in his abundant mercy came to me He gave miracles to me that blew me away On days that I knew I could not go on he carried me spoke to me rocked me sent help to me and visited me Oh yes he did The road was not one I wanted to be on but it was the one I was on The road was rocky yet the road was strewn with compassion love and joy I did not travel it alone God the Father Jesus the Son and the Great Holy Spirit were right there on that road with me They never left me They gave me grace strength and courage to keep going Satan was my enemy on this road He hurled stones at me tripped me tormented me and tried many ways to instill fear in me He wanted me to travel a road of defeat God would not allow him to win over me God was my refuge my rock my Father and my victory This book is as much about living as it is about dying You do not have to be in grief to read this book Open the book and take a look **Dreams of Love and Fateful Encounters** Ethel S. Person,2007-04-02 This groundbreaking study has been widely

hailed for its focus on a human emotion generally considered impervious to rational analysis romantic passionate love Ethel Person views romantic love as a powerful agent of change arguing that it is as central to human culture as it is to human existence This new edition of Dreams of Love and Fateful Encounters emphasizes the relevance of passion not only to lovers but also to mental health professionals whose patients often enter treatment because of love related issues from the inability to love or make a commitment to the perils of extramarital love to love sickness or loss of love She forthrightly addresses not only the power of love to unlock the soul but also its inherent paradoxes and conflicts Employing a philosophical perspective in order to understand the existential dilemmas posed by love and a cultural perspective in order to understand its cultural variability Dr Person breaks with contemporary intellectual and philosophical dismissive assumptions about romantic love She acknowledges love s vital importance and power proposing that passion serves an important function not only for the individual but also for the culture while charging psychoanalysis with a reductionist emphasis on sexuality and psychopathology that has narrowed the focus of inquiry into love Among the issues she discusses are romantic love s sources in our early lives its relationship to imagination and creativity and its capacity to enable the lover to transcend the self how romantic love often demands a reordering of values and promotes personal growth by exposing the self to new risks and possibilities the transformational potential of transference love in the therapy process flaws in the common misperception that women are more influenced by romantic love than men considerations of homosexual love love across generations and

love triangles focusing on the individual growth that can result from such relationships Citing accounts of love drawn from literature film and real life Person focuses on the lover s internal soliloquy and external dialogue with the beloved that can develop over an individual s life An uplifting resource for people experiencing failing or unorthodox romances Dreams of Love and Fateful Encounters boldly takes on issues pertinent to lovers to professionals who encounter patients for whom key conflicts revolve around romantic love and to anyone who has struggled to understand the importance of romantic love in his or her own life
