The spectacle of the band its performance and promotion emphasized a racial stereotype of Filipinos as natural musicians and the beneficiaries of benevolent assimilation and colonial tutelage Unable to fit Loving's leadership of the band into this narrative newspapers dodged and erased his identity as a Black American officer The untold story of the Philippine Constabulary Band offers a unique opportunity to examine the limits and porousness of America's racial ideologies exploring musical pleasure at the intersection of Euro American cultural hegemony racialization and US colonization of the Philippines The Encyclopaedic Dictionary Robert Hunter, 1894 Vampire Legends and Myths Roxanne Hellman, Derek Hall, 2011-12-15 Explores the history origins and characteristics of vampires and features notable myths and legends from around the world Myth and legend of ancient Israel Angelo Solomon Rappoport, 1928 Mixed-Race Identity in the American South Julia Sattler, 2021-05-04 This interdisciplinary investigation argues that since the 1990s discourses about mixed race heritage in the United States have taken the shape of a veritable literary genre here termed memoir of the search The study uses four different texts to explore

this non fictional genre including Edward Ball s Slaves in the Family and Shirlee Taylor Haizlip s The Sweeter the Juice All feature a protagonist using methods from archival investigation to DNA testing to explore an intergenerational family secret photographs and family trees and the trip to the American South which is identified as the site of the secret s origin and of the family s past As a genre these texts negotiate the memory of slavery and segregation in the present In taking up central narratives of Americanness such as the American Dream and the Immigrant story as well as discourses generating the American family the texts help inscribe themselves and the mixed race heritage they address into the American mainstream In its outlook this book highlights the importance of the memoirs negotiations of the past when finding ways to remember after the last witnesses have passed away and contributes to the discussion over political justice and reparations for slavery
