Journey of Your Soul Shepherd Hoodwin, 2013-04-23 A fascinating discussion of the Michael teachings an extraordinary body of channeled work that addresses the fundamental questions of what it means to be human from an expert Michael channel Michael is a group of souls who teach that we are eternal beings journeying from the Tao and back again in an adventure of exploration and creativity Each step along the way we make choices that shape our experience For example after committing to a series of lifetimes we choose one of seven roles or soul types server priest artisan sage warrior king or scholar These teachings address many age old questions such as How did we become who we are Why are we here Where are we going and How does the universe work In addition *Journey of Your Soul* sheds light on the channeling process itself answering questions such as How does channeling work Why do different channels receive conflicting information and What does it take to become a channel Hoodwin shows us that it is possible and indeed beneficial to engage all parts of the human consciousness His unique analytical approach to channeling will help readers gain a firm intellectual understanding of what is involved In his foreword Jon Klimo PhD author of *Channeling Investigations on Receiving Information from Paranormal Sources* says Shepherd Hoodwin has given us one of the best books to date about the phenomenon of channeling *Journey of Your Soul* may well also be the best of the Michael books due to its clarity thoroughness and detail and thanks to the fact that the author an exceptionally clearheaded Michael channel himself brings real integrity and authenticity to our understanding of Michael in particular and to the channeling process in general
