Loving Work:

Works of Love Robert L. Perkins, 1999 To claim that *Works of Love* is an important philosophical essay is to assume hazardous burden of proof The book's title is an allusion to the Bible's injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotima's ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded

Love's Oneing Kerrie Hide, 2022-11-08 Grounded in Christian love mysticism *Love's Oneing* gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation With great sensitivity the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics Julian of Norwich the Cloud of Unknowing author Meister Eckhart Mechthild of Magdeburg Clare of Assisi John of the Cross Teilhard de Chardin Beatrice Bruteau and Ilia Delio With the delicate eye of a spiritual director immersed in mystical literature Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom *Love's Oneing* makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment

Asbill,2014-12-18 This volume provides an analysis of divine aseity in Karl Barth's thought and appreciates the vital role that this doctrine can play in contemporary theology Brian D Asbill begins by setting the general theological context first through a broad sketch of the development of Barth's understanding of the relationship between the life of God pro nobis pronobeity and a se aseity and secondly through the examination of the basic theological convictions that guide his approach to the divine being in Church Dogmatics II 1 The second section The Love and Freedom of God turns to the dialectical pairings which guide Barth's accounts of the divine reality in his earliest dogmatic cycle The Göttingen Dogmatics 16 7 as well as in his most mature treatment Church Dogmatics 28 31 Particular attention is given to how these themes arise from revelation and relate to one another In the final section The Aseity of God Asbill identifies this doctrine's basic features and primary functions Divine aseity is characterized as the self demonstration and self movement of God's life a trinitarian and entirely unique reality a primarily positive and dynamic concept and the manner and readiness of God's love for creatures Divine aseity is said to indicate God's lordship in the act of self binding God's uniqueness in the act of self revelation and God's sufficiency in the act of self giving **Entrepreneurial Selves** Carla Freeman,2015-02-15 Entrepreneurial Selves is an
