## **Low Dishonest Decade:**

*Brothers Beyond the Sea* Jonathan Frederick Wagner, 1981 During the years 1933 to 1939 a pro Nazi movement developed in Canada With the support of the German National Socialist Party Canadian pro Nazi institutions were formed clubs rallies schools and newspapers The movement ended in failure The author analyzes the reasons for the formation and decline of the National Socialist Party in Canada describing in the process the general characteristics of the German community in Canada the extent of Nazi activity in this country and the influence of the Canadian environment on the movement The book well researched and carefully documented is an original contribution to Canadian history of the 1930s

**A Low, Dishonest Decade** Paul N. Hehn, 2005-09-26 Focusing on the rivalries among the Great Powers in the search for markets during the world depression of the 1930s the author surveys the five Major Powers and all the Eastern European countries from the Baltic to Turkey But he primarily canvases the economic situations in locations like Czechoslovakia Hungary Poland Romania and Yugoslavia

**The Broadview Guide to Writing: A Handbook for Students - Sixth Edition** Corey Frost, Karen Weingarten, Doug Babington, Don LePan, Maureen Okun, 2017-05-30 Even the most useful reference guides are not always well shall we say riveting A refreshing exception is the new Broadview Guide to Writing which is smart helpful and even fun to read Gerald Graff and Cathy Birkenstein authors of *They Say I Say The Moves That Matter in Academic Writing* Key Features A coil bound reference text suitable for a range of introductory composition and writing courses Divided into three sections Writing Processes including Research Argumentation and Style Writing Mechanics Grammar Usage and Punctuation Writing Contexts Writing in different academic disciplines Forms and conventions and citation Comprehensive treatment of citation style guides with 2016 MLA style updates Expanded treatment of research methods argument structures and writing in the workplace A unique section on How to Be Good With Words issues of gender race class religion sexual orientation disability etc Expanded coverage for those whose native language is not English All new chapter on reading images Extensive companion website featuring interactive exercises Increasingly writing handbooks are seen as over produced and overpriced One stands out The Broadview Guide to Writing is published in an elegant but simple format and sells for roughly half the price of its fancier looking competitors That does not change with the new edition what does change and stay up to date is the content of the book The sixth edition brings a substantial re organization of the contents under three headings Writing Processes Writing Mechanics and Writing Contexts Coverage of APA Chicago and CSE styles of documentation has been substantially expanded and the MLA section has now been fully revised to take into account all the 2016 changes Also expanded is coverage of academic argument of writing and critical thinking of writing about literature of paragraphing of how to integrate quoted material into one s own work of balance and parallelism and of issues of gender race religion etc in writing The chapter Seeing and Meaning Reading and Writing About Visual Images is entirely new to the sixth edition

Anglo-French Relations in the Twentieth Century Alan Sharp, Glyn

Stone, Professor Glyn A Stone, 2002-03-11 *Anglo French Relations in the Twentieth Century* is a collection of studies on the key episodes of the difficult and often discordant Anglo French exchange over the past century The authors critically re evaluate the role of Spain in Anglo French relations up to 1918 the missed opportunity of the 1920s with the failure of France and Britain to find sufficient common ground and co operation the short lived Anglo French alliance and the Second World War the degree of Anglo French Imperial co operation the Suez Crisis British and French policies on European Integration

*The Broadview Guide to Writing - Sixth Edition* Don LePan, Doug Babington, Maureen Okun, 2015-06-11 Increasingly writing handbooks are seen as over produced and overpriced One stands out The Broadview Guide to Writing is published in an elegant but simple format and sells for roughly half the price of its fancier looking competitors For the sixth edition the coverage of MLA APA Chicago and CSE styles of documentation has been substantially expanded as well as updated Also expanded is coverage of academic argument of writing and critical thinking of writing about literature of paragraphing of how to integrate quoted material into one s own work of balance and parallelism and of issues of gender race religion etc in writing The chapter Seeing and Meaning Reading and Writing About Visual Images is entirely new The online materials including the selection of interactive exercises have also been revised considerably **Generation's End** Scott L.

Malcomson, 2010-09 The origins of the war on terrorism as seen from the New York Times s op ed desk *Voices of World War II* Priscilla Roberts, 2012-08-22 Drawing together a wide variety of primary source documents from across the United States Europe and Asia this book illuminates the events and experiences of World War II the most devastating war in human history World War II was the most destructive and disruptive war ever a global conflict that in one way or another affected the lives of people across the planet *Voices of World War II Contemporary Accounts of Daily Life* coalesces a wide variety of primary source documents drawn from across the United States Europe and Asia Supplemented by interpretive material that enables readers to analyze them assess their impact and significance and place them in context to comparable situations today the documents provide rare insights into World War II Expert commentaries and additional information on these texts enable a greater understanding of the background to these documents providing valuable training in learning to interpret assess and evaluate historical sources Intended primarily for upper level high school and undergraduate level history students general readers will also appreciate the variegated array of primary material from World War II which depicts numerous aspects of the conflict often in extremely personal terms *Early Auden, Later Auden* Edward

Mendelson, 2017-04-25 Presented in one volume for the very first time and updated with new archival discoveries *Early Auden Later Auden* reintroduces Edward Mendelson s acclaimed two part biography of W H Auden 1907-73 one of the greatest literary figures of the twentieth century This book offers a detailed history and interpretation of Auden s oeuvre spanning the duration of his career from juvenilia to his final works in poetry as well as theatre film radio opera essays and lectures *Early Auden Later Auden* follows the evolution of the poet s thought offering a comparison of Auden s views at

various junctures over a lifetime With penetrating insight Mendelson examines Auden s early ideas methods and personal transitions as reflected in poems manuscripts and private papers The book then links changes in Auden s intellectual emotional and religious experience with his shifting public role showing the depth of his personal struggles with self and with fame and the means by which these internal conflicts were reflected in his art in later years Featuring a new preface by the author *Early Auden Later Auden* is an engaging and timeless work that demonstrates Auden s remarkable range and complexity paying homage to his enduring legacy     Stardust Lost Stefan Kanfer,2009-03-12 In *Stardust Lost* Stefan Kanfer brings the colorful Yiddish stage roaring back to life Born of ancient traditions stretching back to the drama of the Old Testament the Yiddish theater was a vibrant part of the immigrant experience Kanfer invokes the energy belief and pure chutzpah it took to establish and run the thriving influential theaters He reveals the nightly drama and comedy that played out behind the scenes as well as onstage and introduces all the players actors divas playwrights directors and producers who made it possible A richly evocative chronicle of its brief but dazzling existence in America this is both an elegy for and a tribute to Yiddish theater lost but not forgotten     *Securitizing Balance of Power Theory* Ilai Z. Saltzman,2012 *Securitizing Balance of Power Theory A Polymorphic Reconceptualization* by Ilai Z Saltzman presents a cutting edge attempt to re conceptualize one of the fundamental concepts of International Relations theory balance of power theory by examining insights from historical analysis of interwar and post Cold War cases     **The Writing of Nathanael West** Alistair Wisker,1990-07-13     **Literature and Liberation** Arnold Kettle,1988     Edward Upward and Left-Wing Literary Culture in Britain Dr Benjamin Kohlmann,2013-10-28 Offering the first book length consideration of Edward Upward 1903 2009 one of the major British left wing writers this collection positions his life and works in the changing artistic social and political contexts of the twentieth and early twenty first centuries Upward s fiction and non fiction from the 1920s onwards illustrate the thematic and formal richness of left wing writing during the twentieth century age of extremes At the same time Upward s work shows the inherent tensions of a life committed at once to writing and to politics The full range of Upward s work and a wealth of unpublished materials are examined including his early fantastic stories of the 1920s his Marxist fiction of the 1930s the extraordinary semi autobiographical trilogy *The Spiral Ascent* and his formally and thematically innovative later stories The essays collected here reevaluate Upward s central place in twentieth century British literary culture and assess his legacy for the twenty first century     The Broadview Guide to Grammar, Usage, and Punctuation Corey Frost,Karen Weingarten,Doug Babington,Don LePan,Maureen Okun,2024-02-21 For many years the coverage of grammar and usage in *The Broadview Guide to Writing* has received particular praise Now for the first time that material is made available in a stand alone volume Readable reliable and comprehensive *The Broadview Guide to Grammar Usage and Punctuation* is appropriate for students at all post secondary levels The book is divided into four sections The Grammar section provides unrivalled coverage of complete and incomplete sentences dangling constructions and other subjects that give many writers

special difficulty The Usage section offers sensible and up to date advice on hundreds of points that frequently cause confusion The Punctuation section provides a wealth of helpful guidance on all aspects of punctuation with particular attention paid to such vexed questions as when to use the colon and the semi colon and when using quotation marks how to properly integrate quotations into one s own text A final section English as an Additional Language gives a wide range of helpful advice on special issues that may arise for those whose native language is not English A companion website provides hundreds of exercises on every topic covered in the book itself Many of these are interactive on completing an exercise students are told how they did and explanations are provided as to why the right answers are right and the wrong answers are wrong

**Vaughan Williams: Illustrated Lives Of The Great Composers** Paul Holmes,2011-05-16 This series of biographies presents the great composers against the background of their times Each draws on personal letters and recollections engravings paintings and when they exist photographs to present a complete picture of the composer s life

*The Second World War* Chris Bambery,2014-05-08 The Second World War casts a long shadow portrayed as a necessary and paradigmatic war that defeated fascism During recent wars in Iraq Afghanistan and elsewhere US presidents and British prime ministers have tried to claim they were following in the footsteps of Winston Churchill by standing up to dictators In *The Second World War* Chris Bambery tests this position in a thorough account of the war and demonstrates why it continues to dominate TV history channels and school history books Arguing that the conflict was as much about a division of the world between the great powers as it was as a rising of ordinary people against fascism he offers a nuanced and radical analysis that sets the book apart from conventional histories of the war

**World War IV** Norman Podhoretz,2007-09-11 For almost half a century as a magazine editor and as the author of numerous bestselling books and hundreds of articles Norman Podhoretz has helped drive the central political and intellectual debates in this country Now in this provocative and powerfully argued book he takes on the most controversial issue of our time the war against the global network of terrorists that attacked us on 9 11

**The Oil Wars Myth** Emily L. Meierding,2020-05-15 Do countries fight wars for oil Given the resource s exceptional military and economic importance most people assume that states will do anything to obtain it Challenging this conventional wisdom *The Oil Wars Myth* reveals that countries do not launch major conflicts to acquire petroleum resources Emily Meierding argues that the costs of foreign invasion territorial occupation international retaliation and damage to oil company relations deter even the most powerful countries from initiating classic oil wars Examining a century of interstate violence she demonstrates that at most countries have engaged in mild sparring to advance their petroleum ambitions *The Oil Wars Myth* elaborates on these findings by reassessing the presumed oil motives for many of the twentieth century s most prominent international conflicts World War II the two American Gulf wars the Iran Iraq War the Falklands Malvinas War and the Chaco War These case studies show that countries have consistently refrained from fighting for oil Meierding also explains why oil war assumptions are so common despite the lack of supporting evidence Since classic

oil wars exist at the intersection of need and greed two popular explanations for resource grabs they are unusually easy to believe in The Oil Wars Myth will engage and inform anyone interested in oil war and the narratives that connect them A Patriot's History® of the Modern World, Vol. I Larry Schweikart,Dave Dougherty,2012-10-11 America s story from 1898 to 1945 is nothing less than the triumph of American exceptionalism over liberal progressivism despite a few temporary victories by the latter Conservative historian Larry Schweikart has won wide acclaim for his number one New York Times bestseller A Patriot s History of the United States It proved that contrary to the liberal biases in countless other his tory books America had not really been founded on racism sexism greed and oppression Schweikart and coauthor Michael Allen restored the truly great achievements of America s patriots founders and heroes to their rightful place of honor Now Schweikart and coauthor Dave Dougherty are back with a new perspective on America s half century rise to the center of the world stage This all new volume corrects many of the biases that cloud the way people view the Treaty of Versailles the Roaring Twenties the Crash of 1929 the deployment of the atomic bomb and other critical events in global history Beginning with the Spanish American War which introduced the United States as a global military power that could no longer be ignored and con tinuing through the end of World War II this book shows how a free capitalist nation could thrive when put face to face with tyrannical and socialist powers Schweikart and Dougherty narrate the many times America proved its dominance by upholding the prin ciples on which it was founded and struggled on the rare occasions when it strayed from those principles The authors make a convincing case that America has constantly been a force for good in the world improving standards of living introducing innova tions guaranteeing liberty and offering opportunities to those who had none elsewhere They also illustrate how the country ascended to superpower status at the same time it was figuring out its own identity While American ideals were defeating tyrants abroad a con stant struggle against progressivism was being waged at home leading to the stumbles of the Great Depression the New Deal and the attack on Pearl Harbor Despite this rocky entrance on the world stage it was during this half century that the world came to embrace all things American from its innovations and businesses to its political system and popular culture The United States began to define what the rest of the world could emulate as the new global ideal A Patriot s History of the Modern World provides a new perspective on our extraordinary past and offers lessons we can apply to preserve American exceptional ism today and tomorrow **The Complete Works of W. H. Auden** Wystan Hugh Auden,1996 Volume 5 This fifth volume of W H Auden s prose displays a great writer s mind in its full maturity of wisdom learning and emotional and moral intelligence It contains his most personally revealing essays the ones in which he wrote for the first time about the full history of his family life his sexuality and the development of his moral and religious beliefs Among these works are the lightly disguised autobiographies that appear in long essays on the Protestant mystics and on Shakespeare s sonnets The book also features the full text of his T S Eliot Memorial Lectures Secondary Worlds and many unpublished or unavailable lectures and speeches Edward Mendelson s

introduction and comprehensive notes provide biographical and historical explanations of obscure references The text includes corrections and revisions that Auden marked in personal copies of his work and that are published here for the first time
